Inhabitants Survival Escape

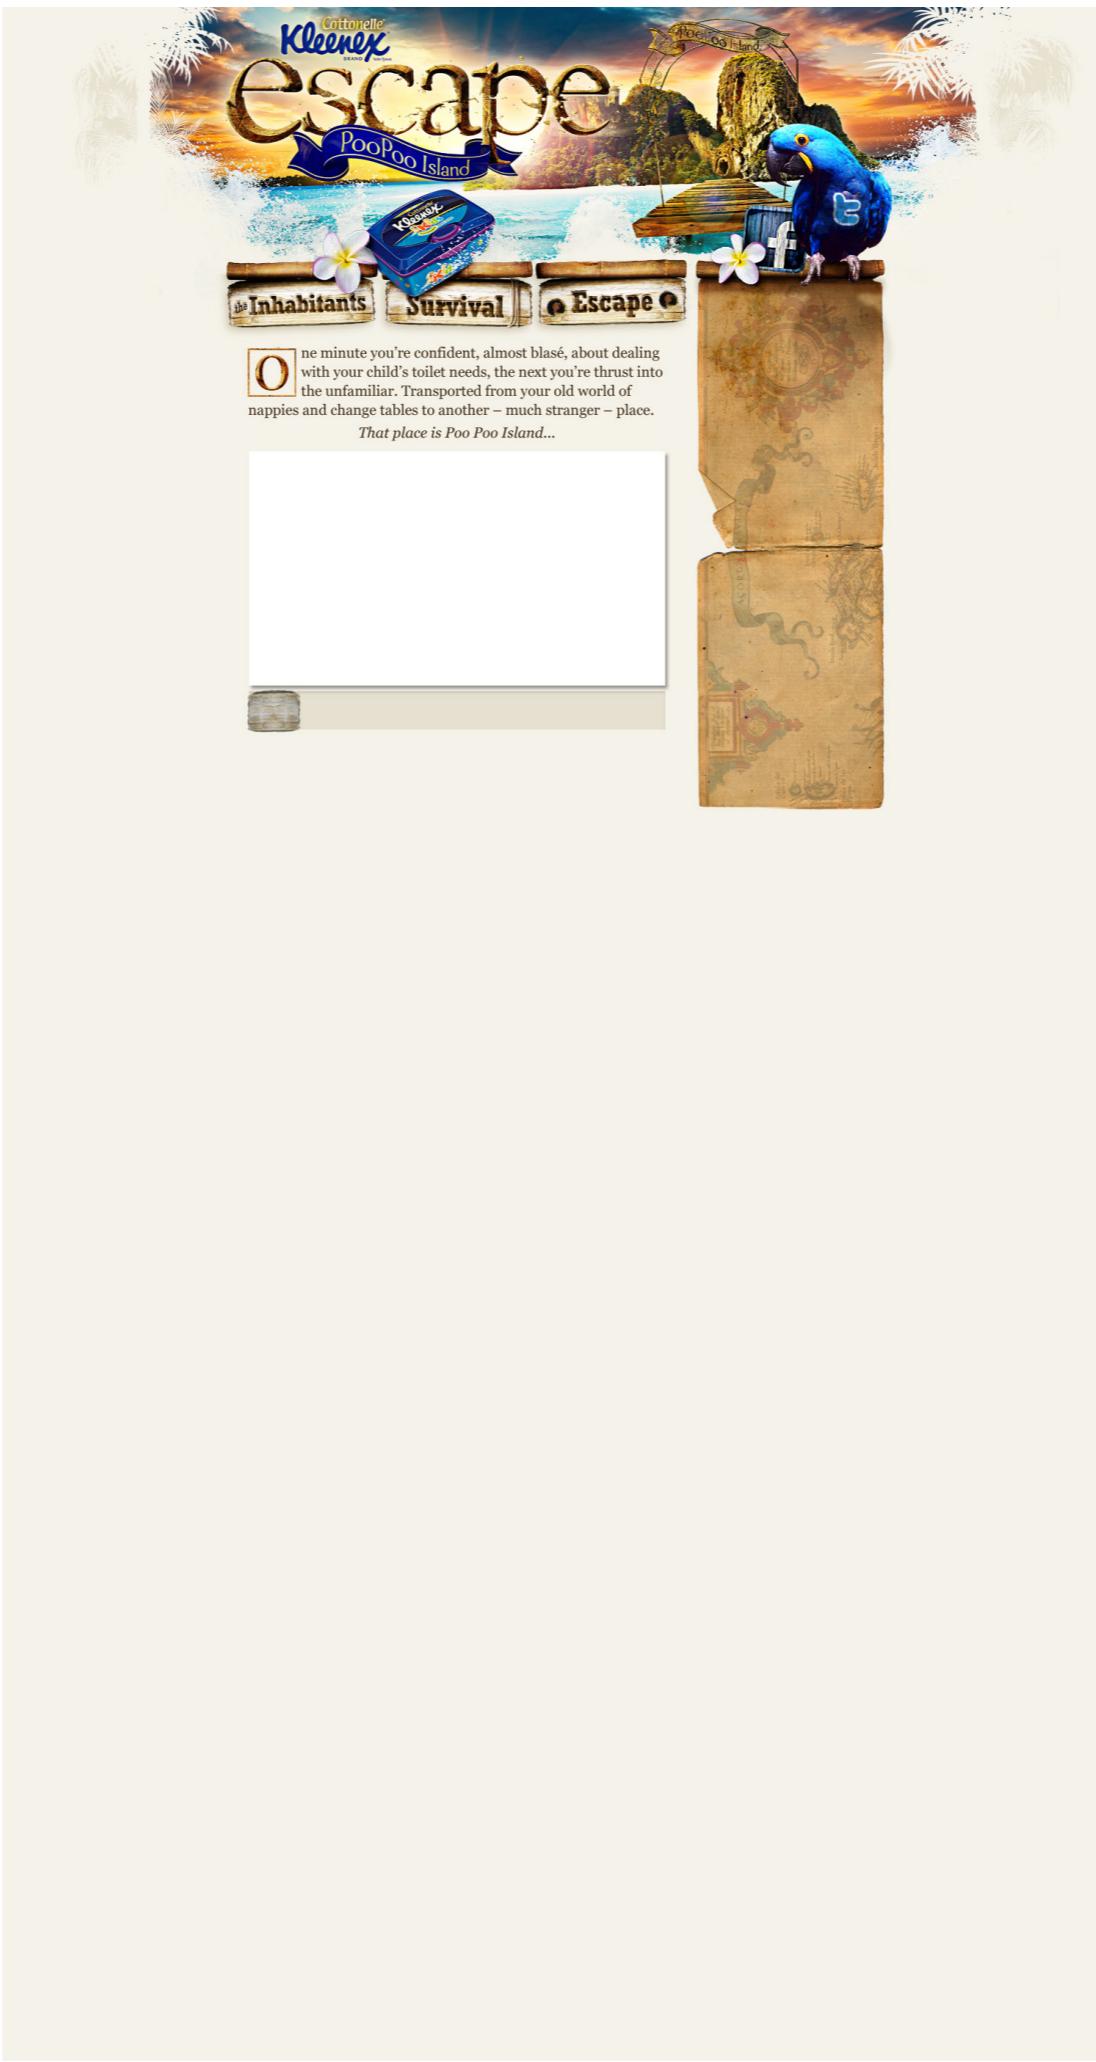

One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

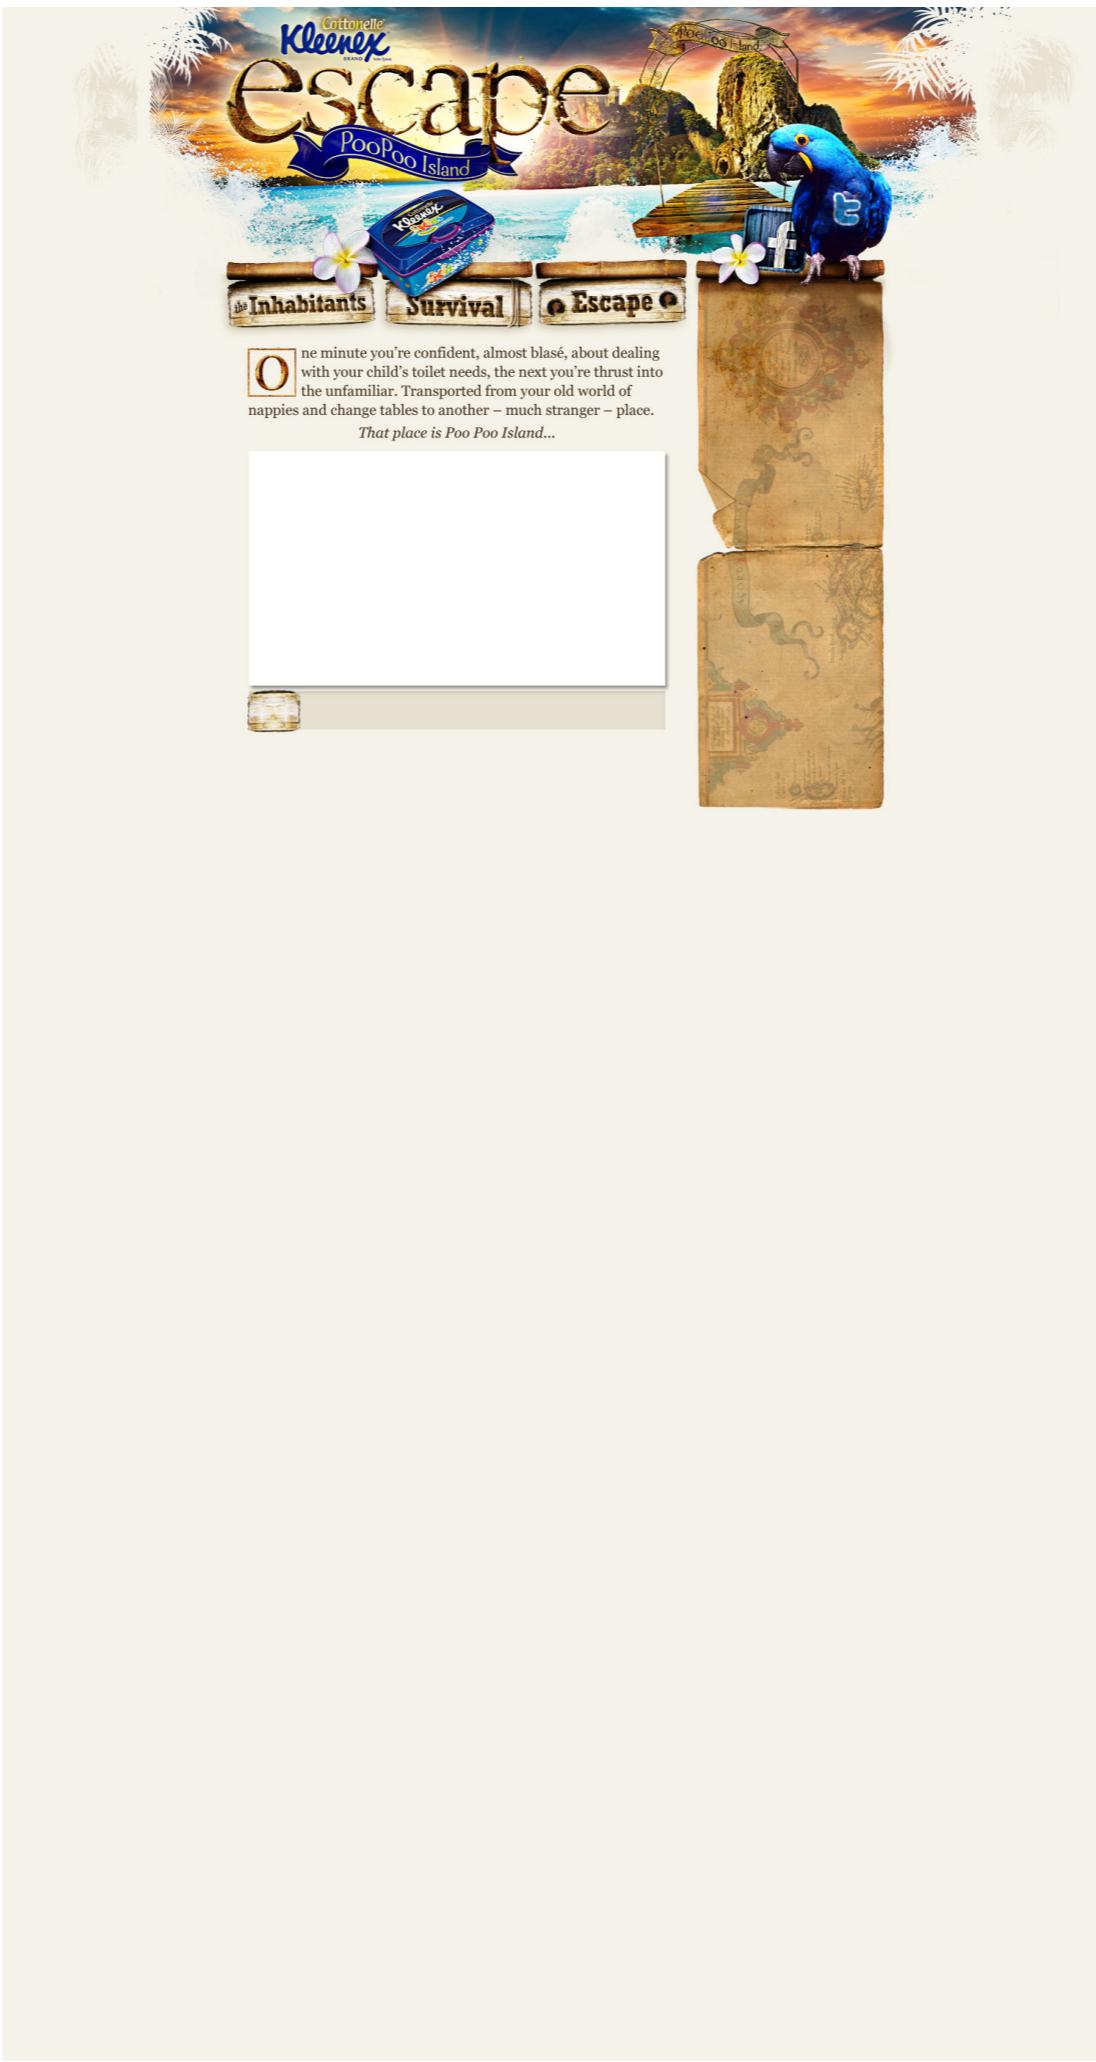

That place is Poo Poo Island...

A blue parrot sits atop a stack of three books. The top book is titled "escape" and "PooPoo Island". The middle book is titled "Inhabitants", "Survival", and "Escape". The bottom book has a map of the world on its cover. A yellow speech bubble icon is located in the top right corner of the advertisement area.

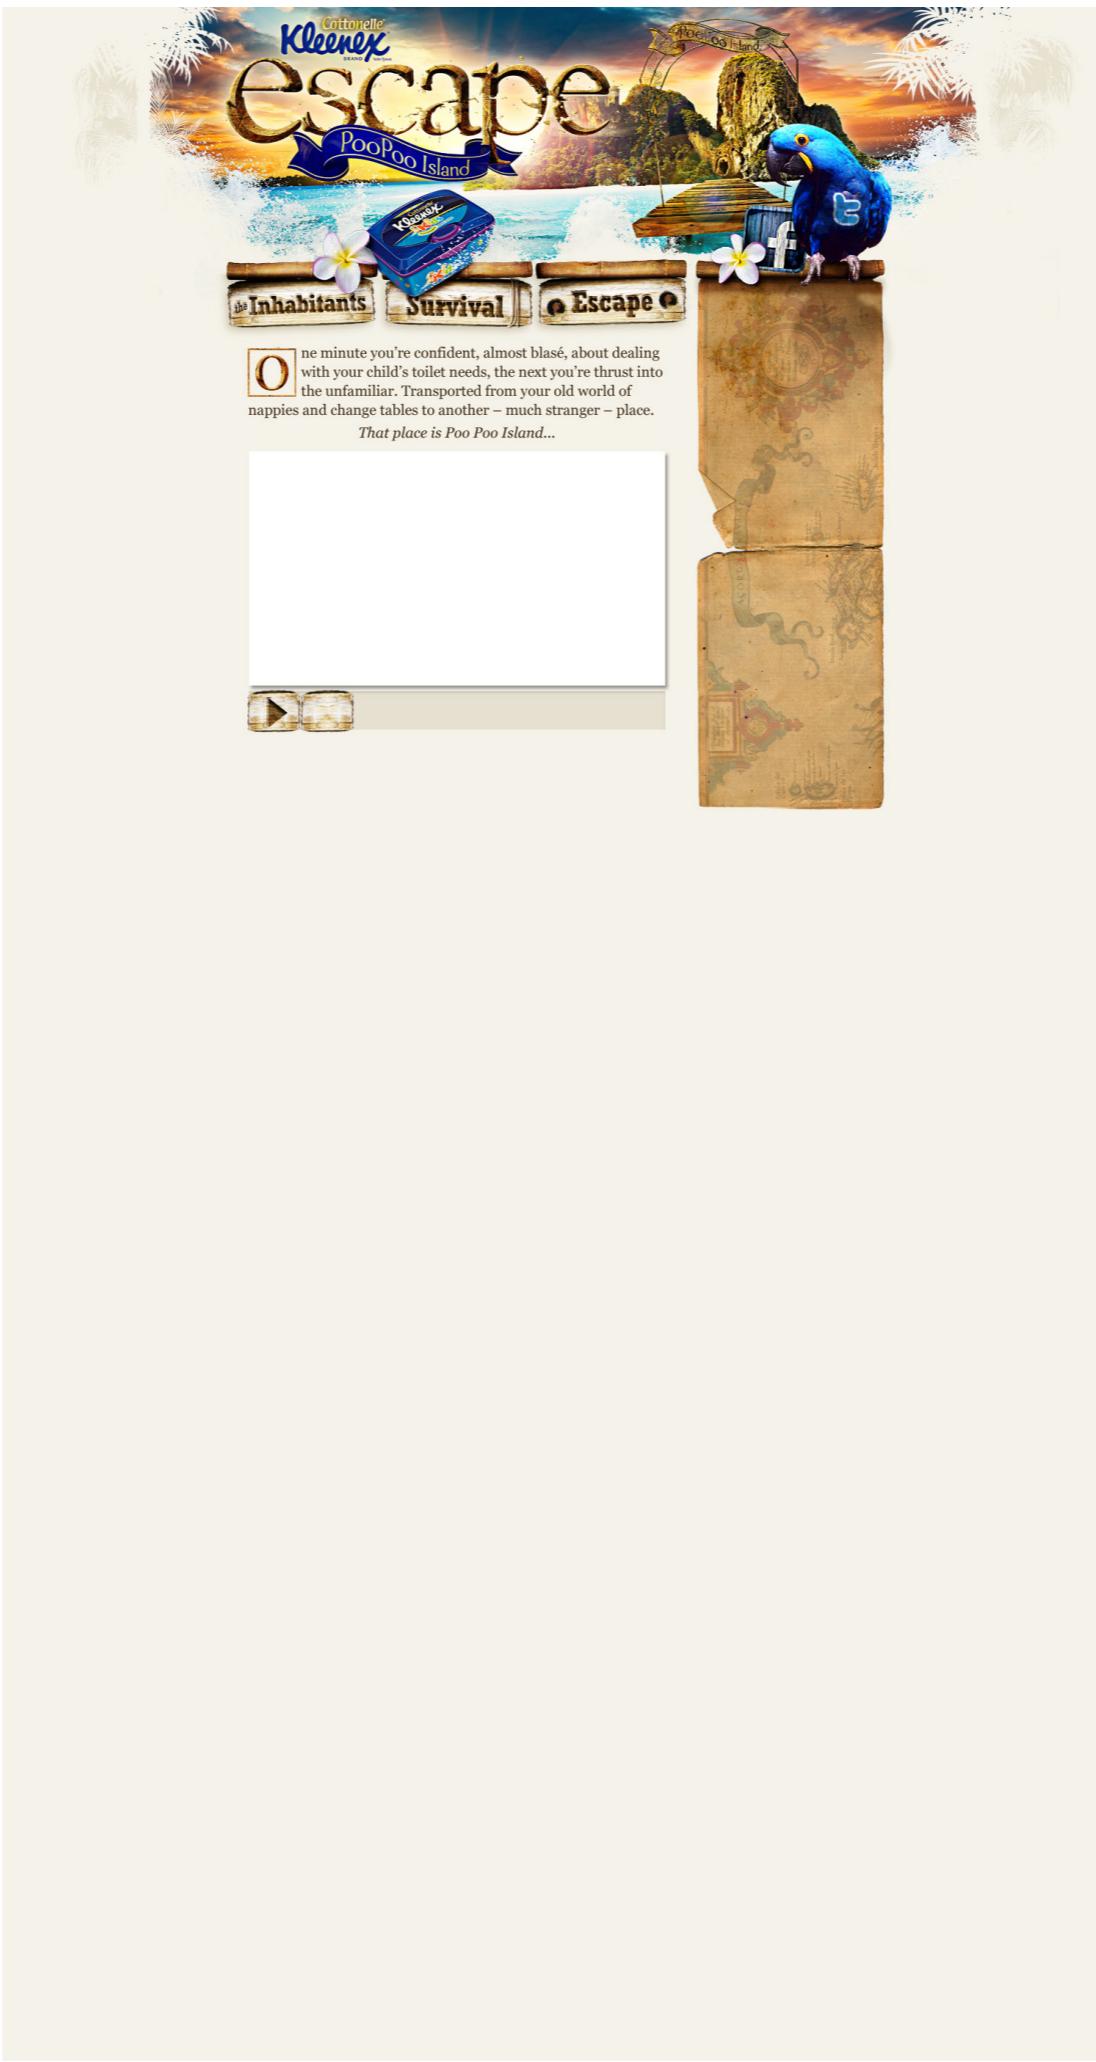

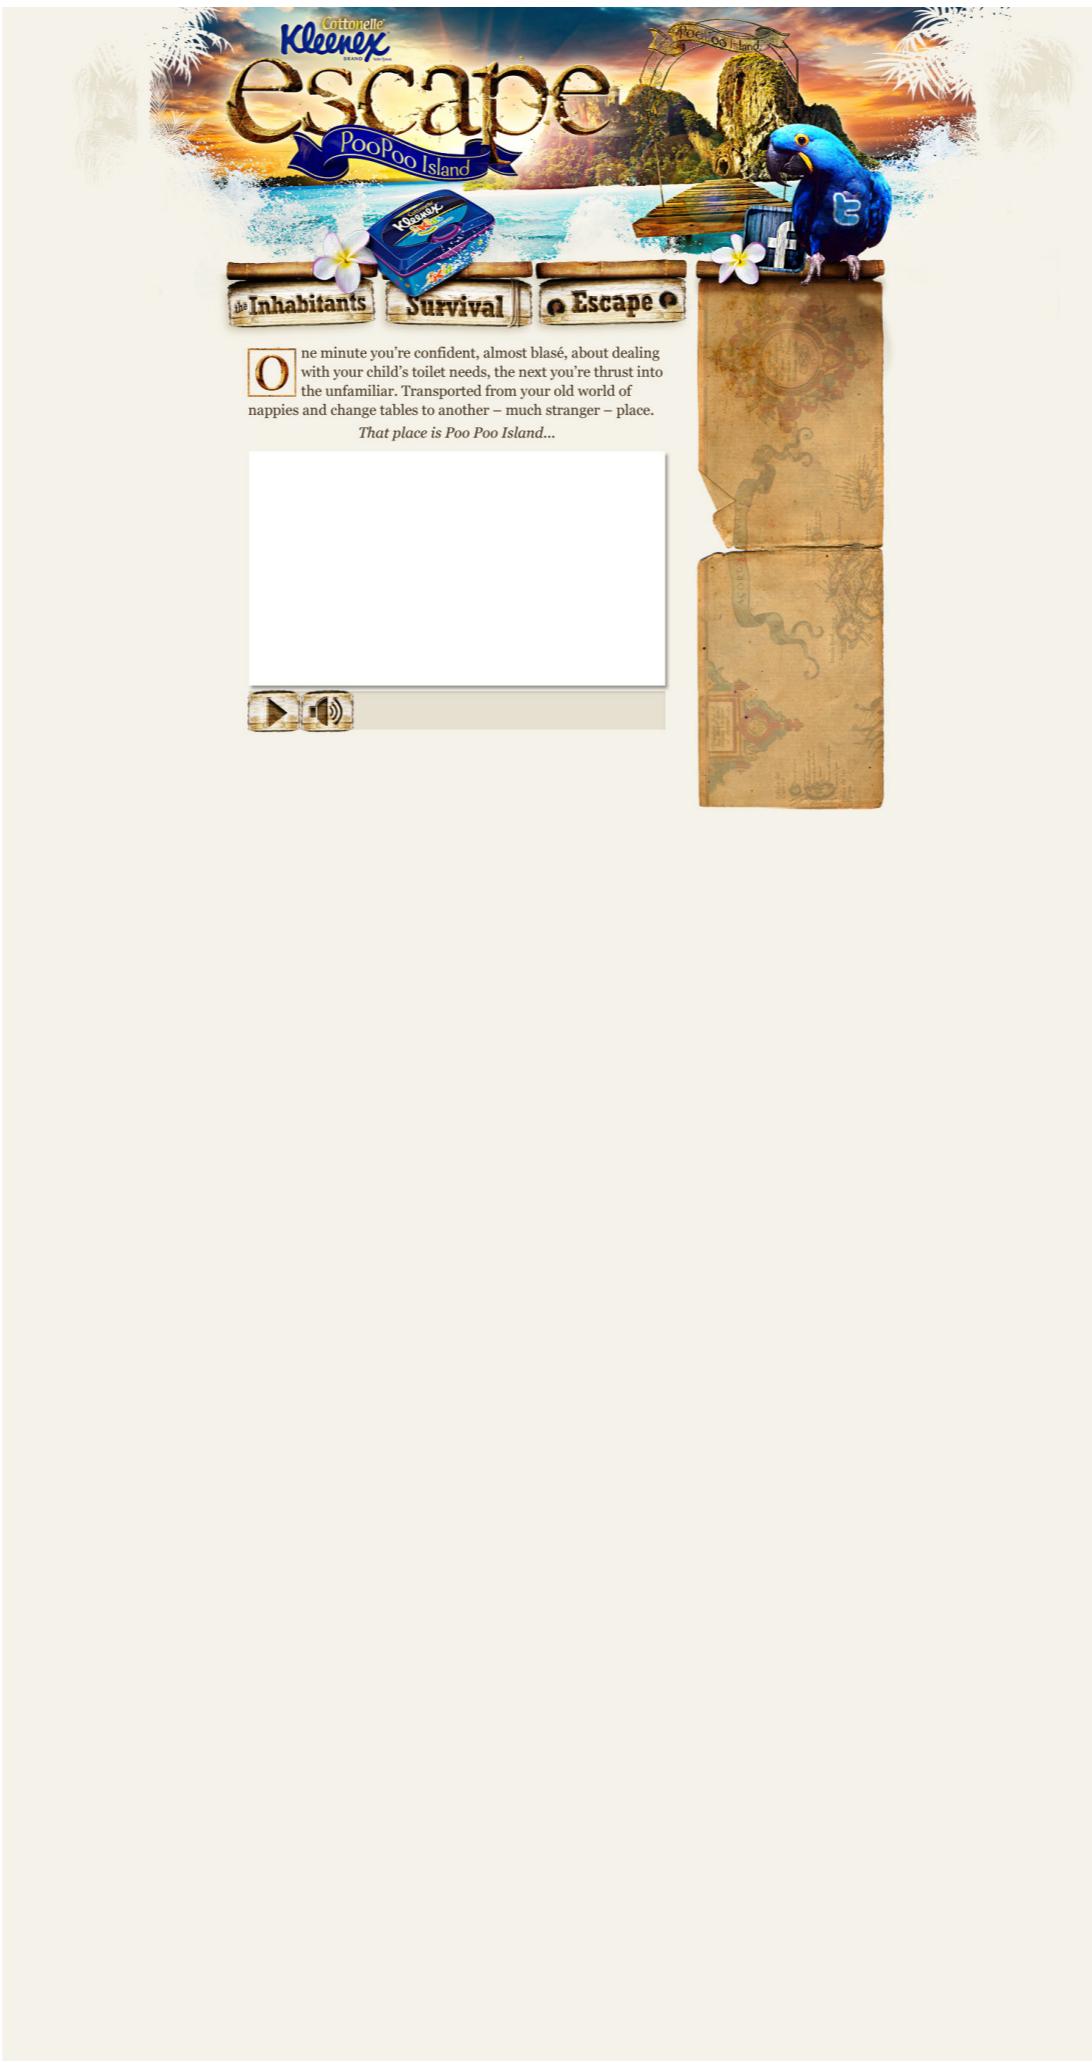

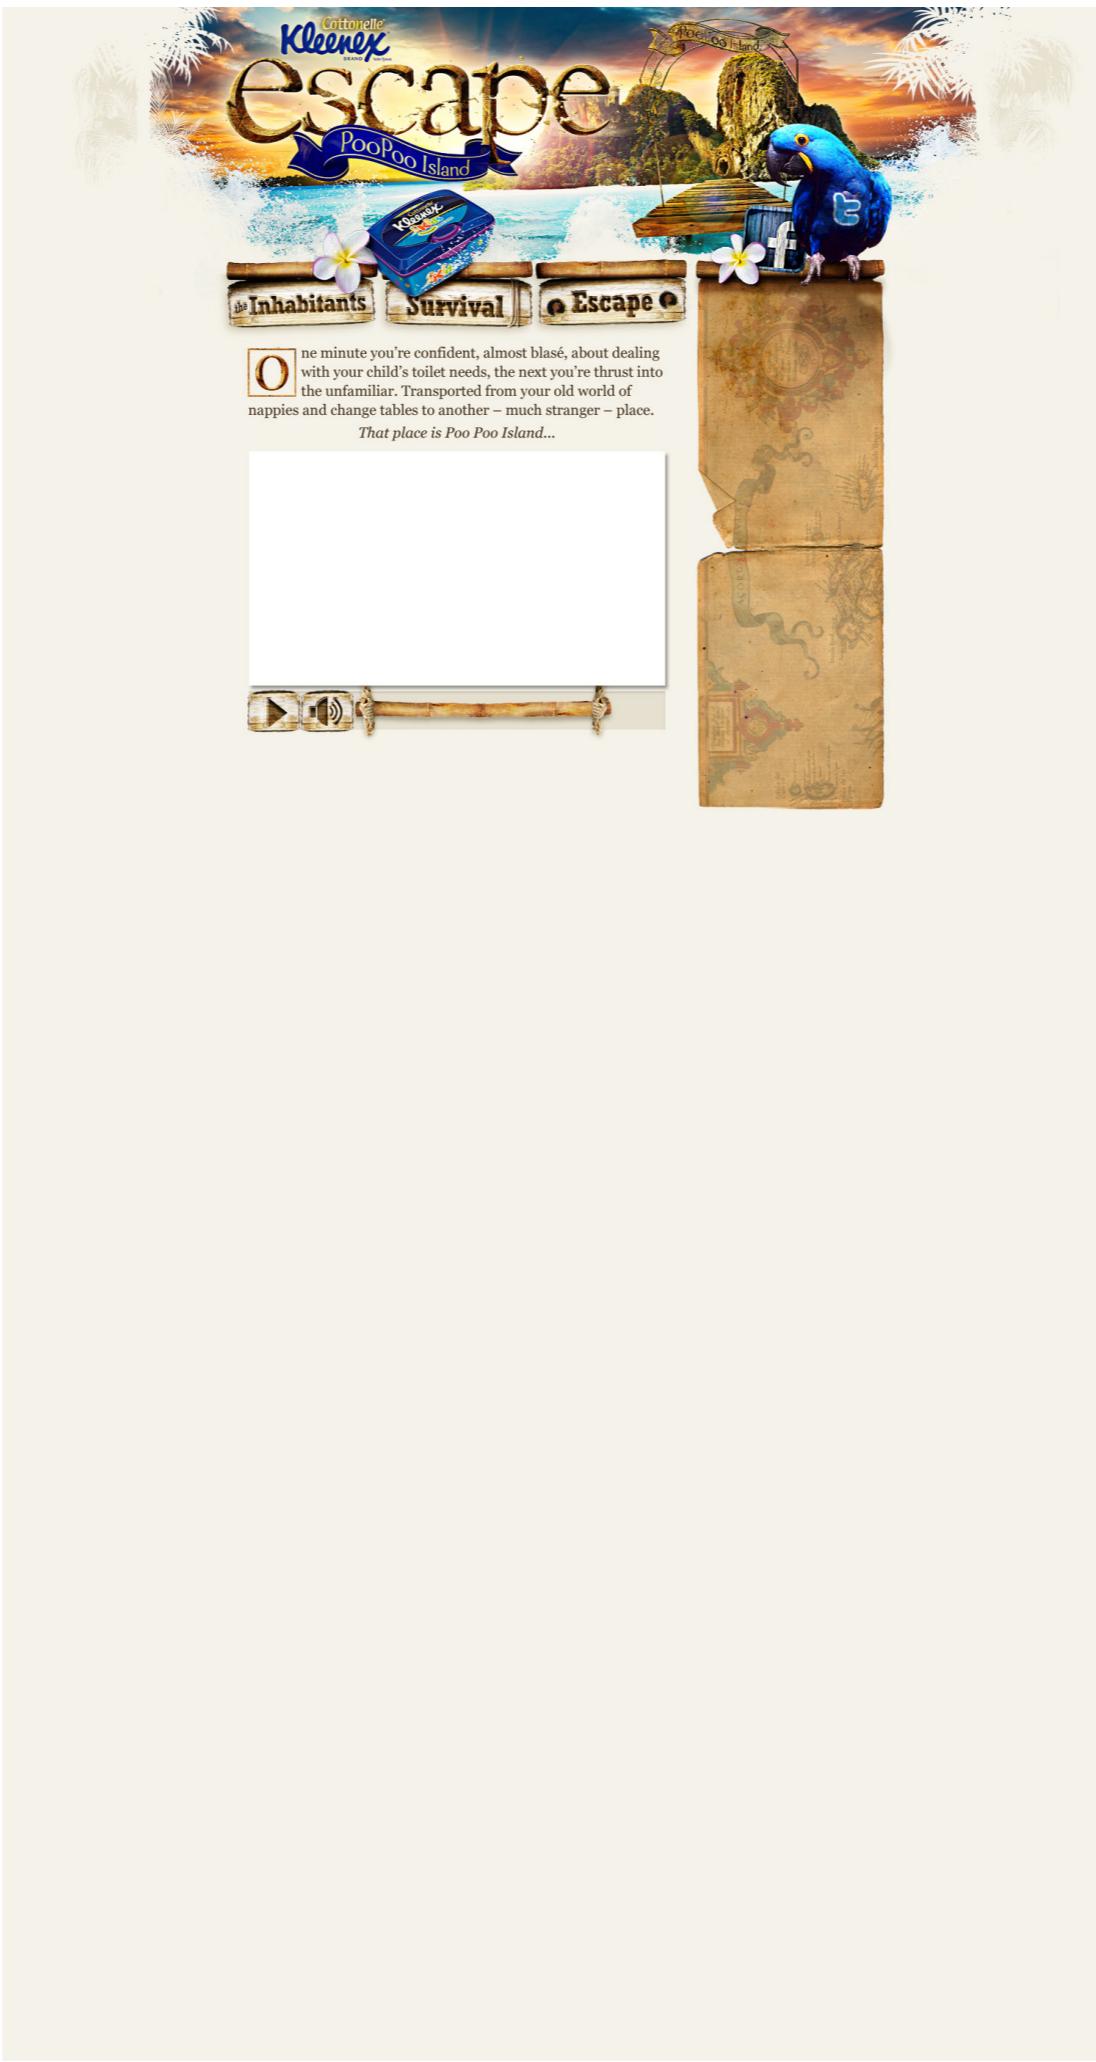

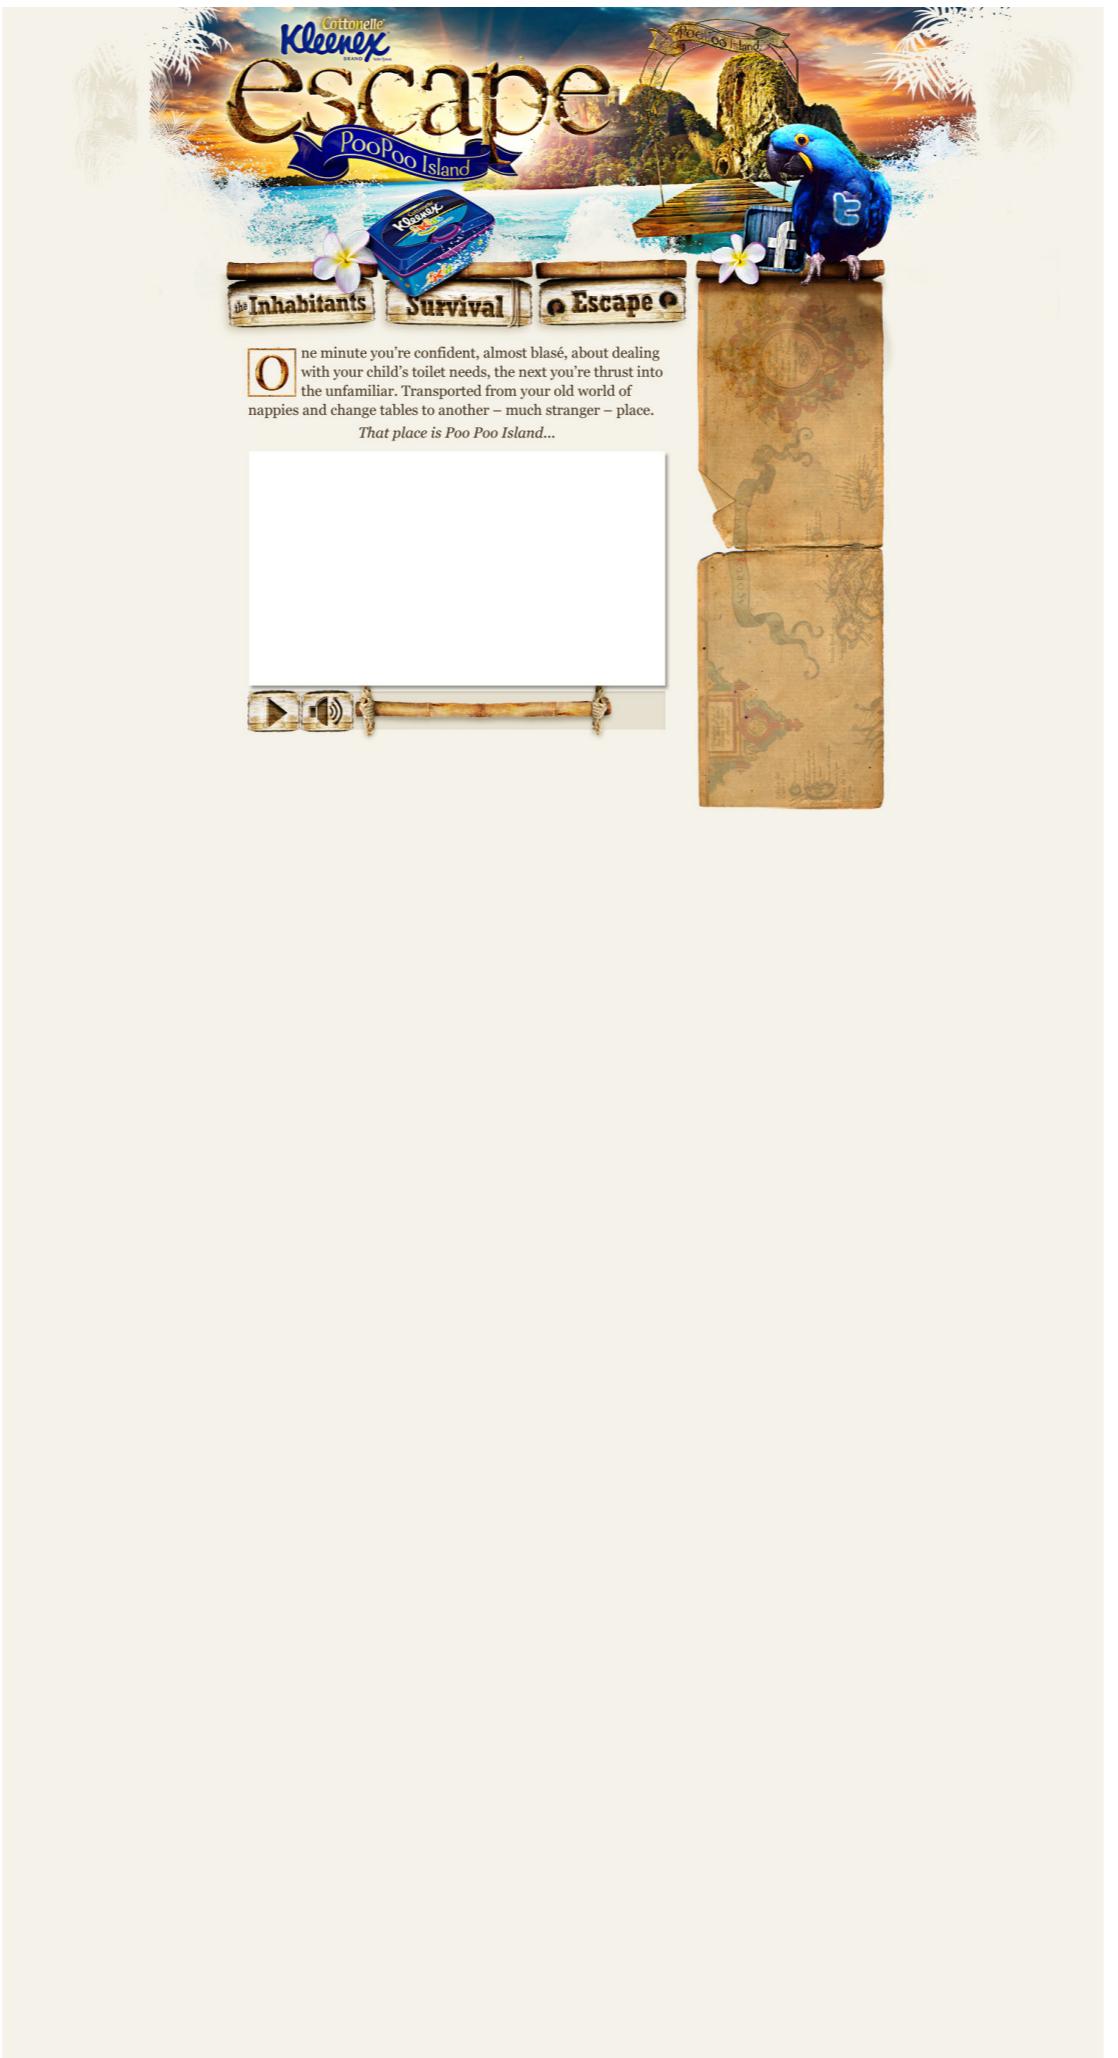

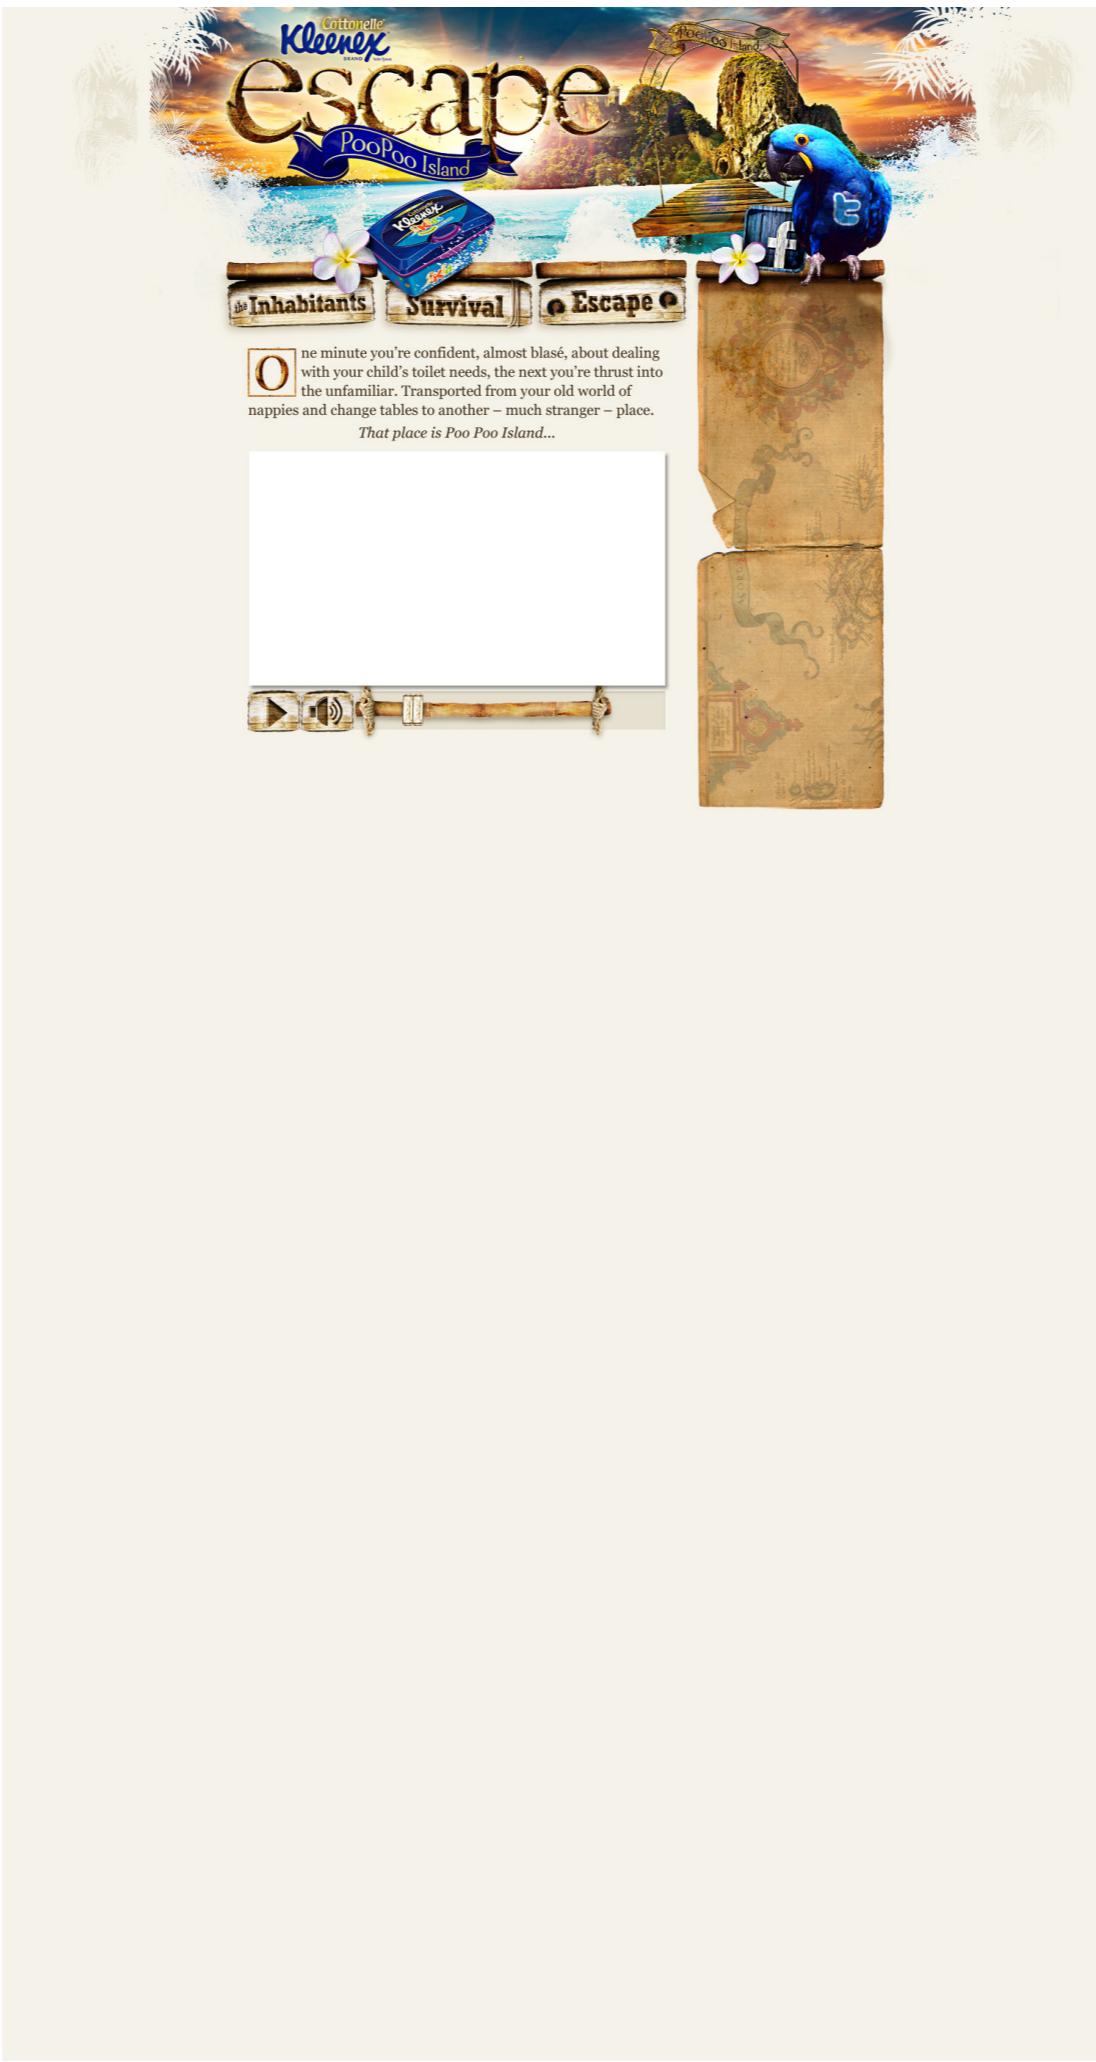

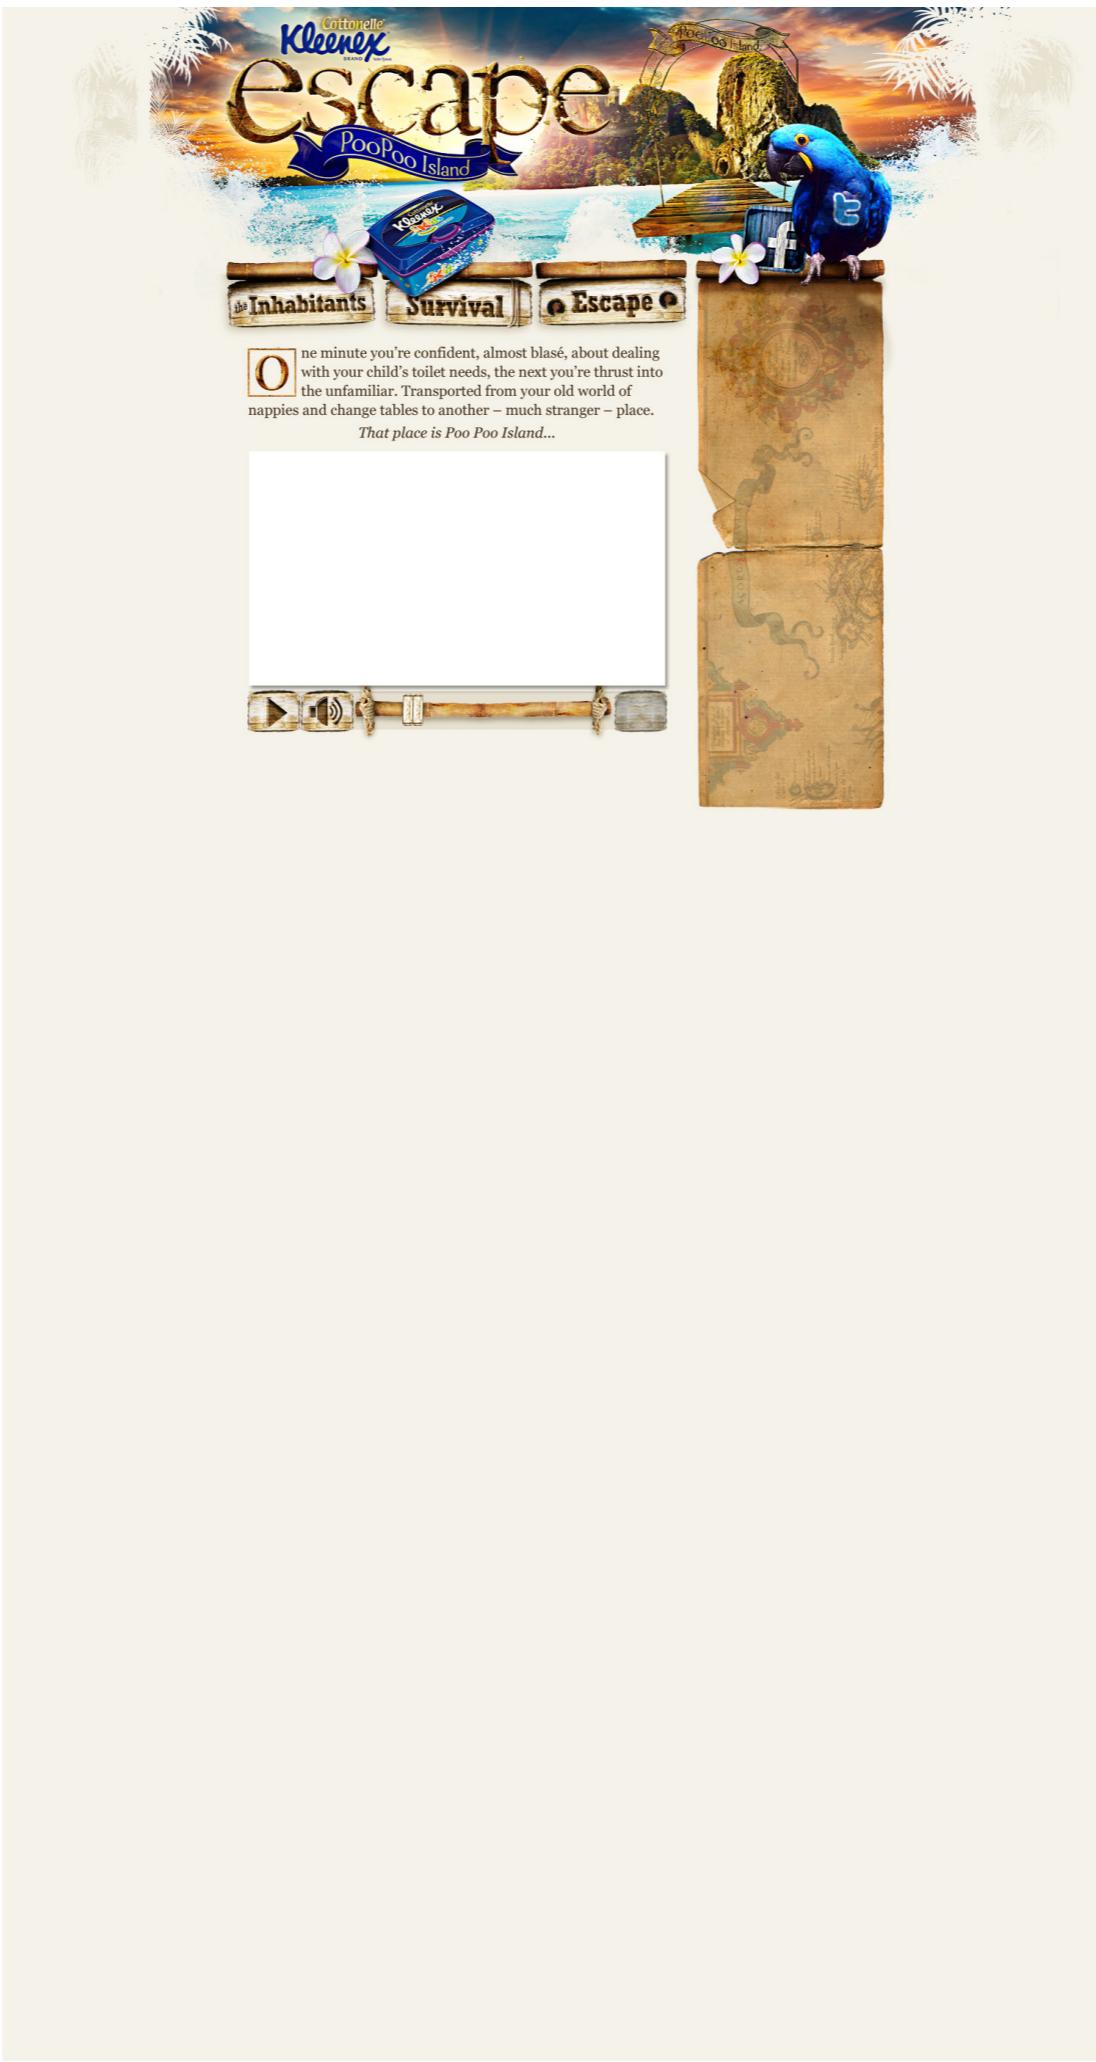

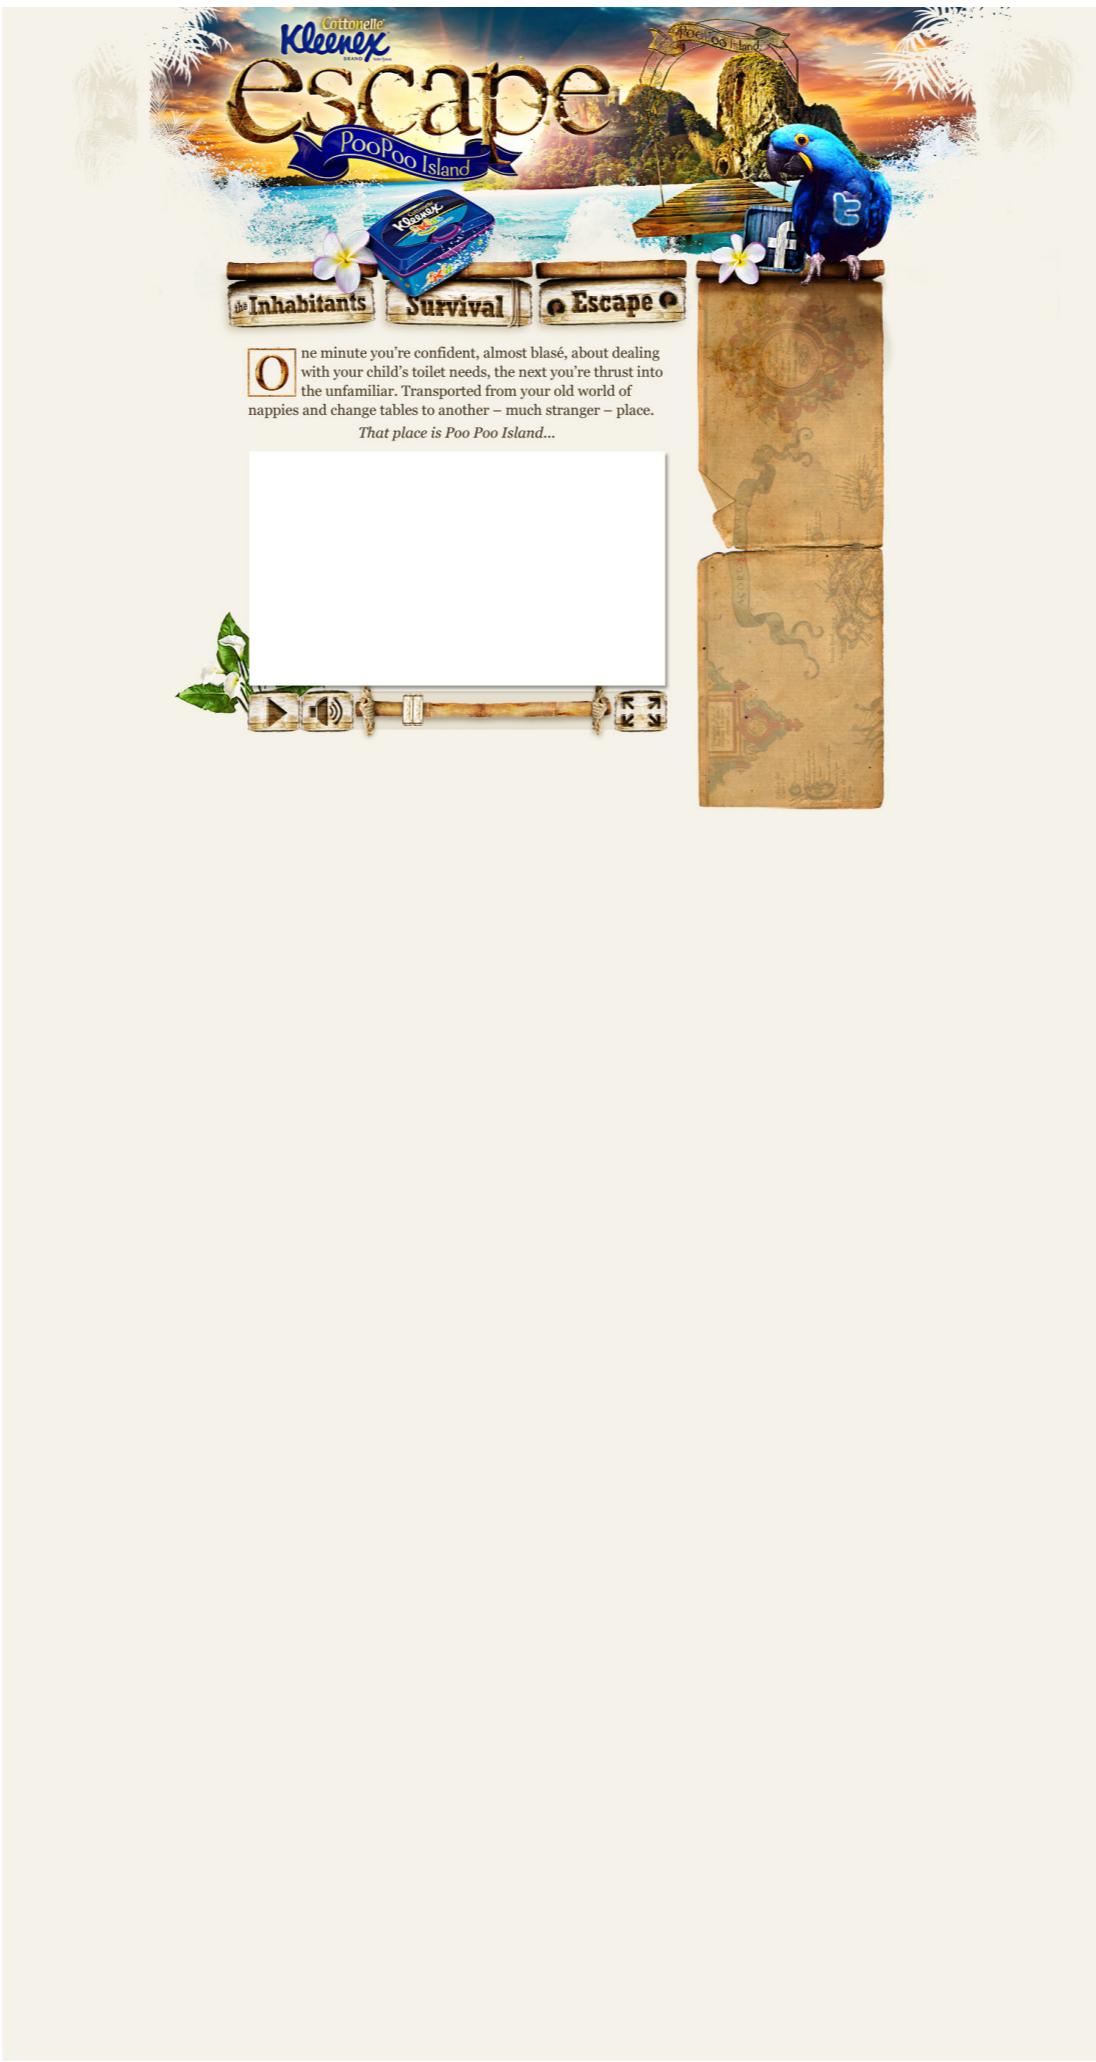

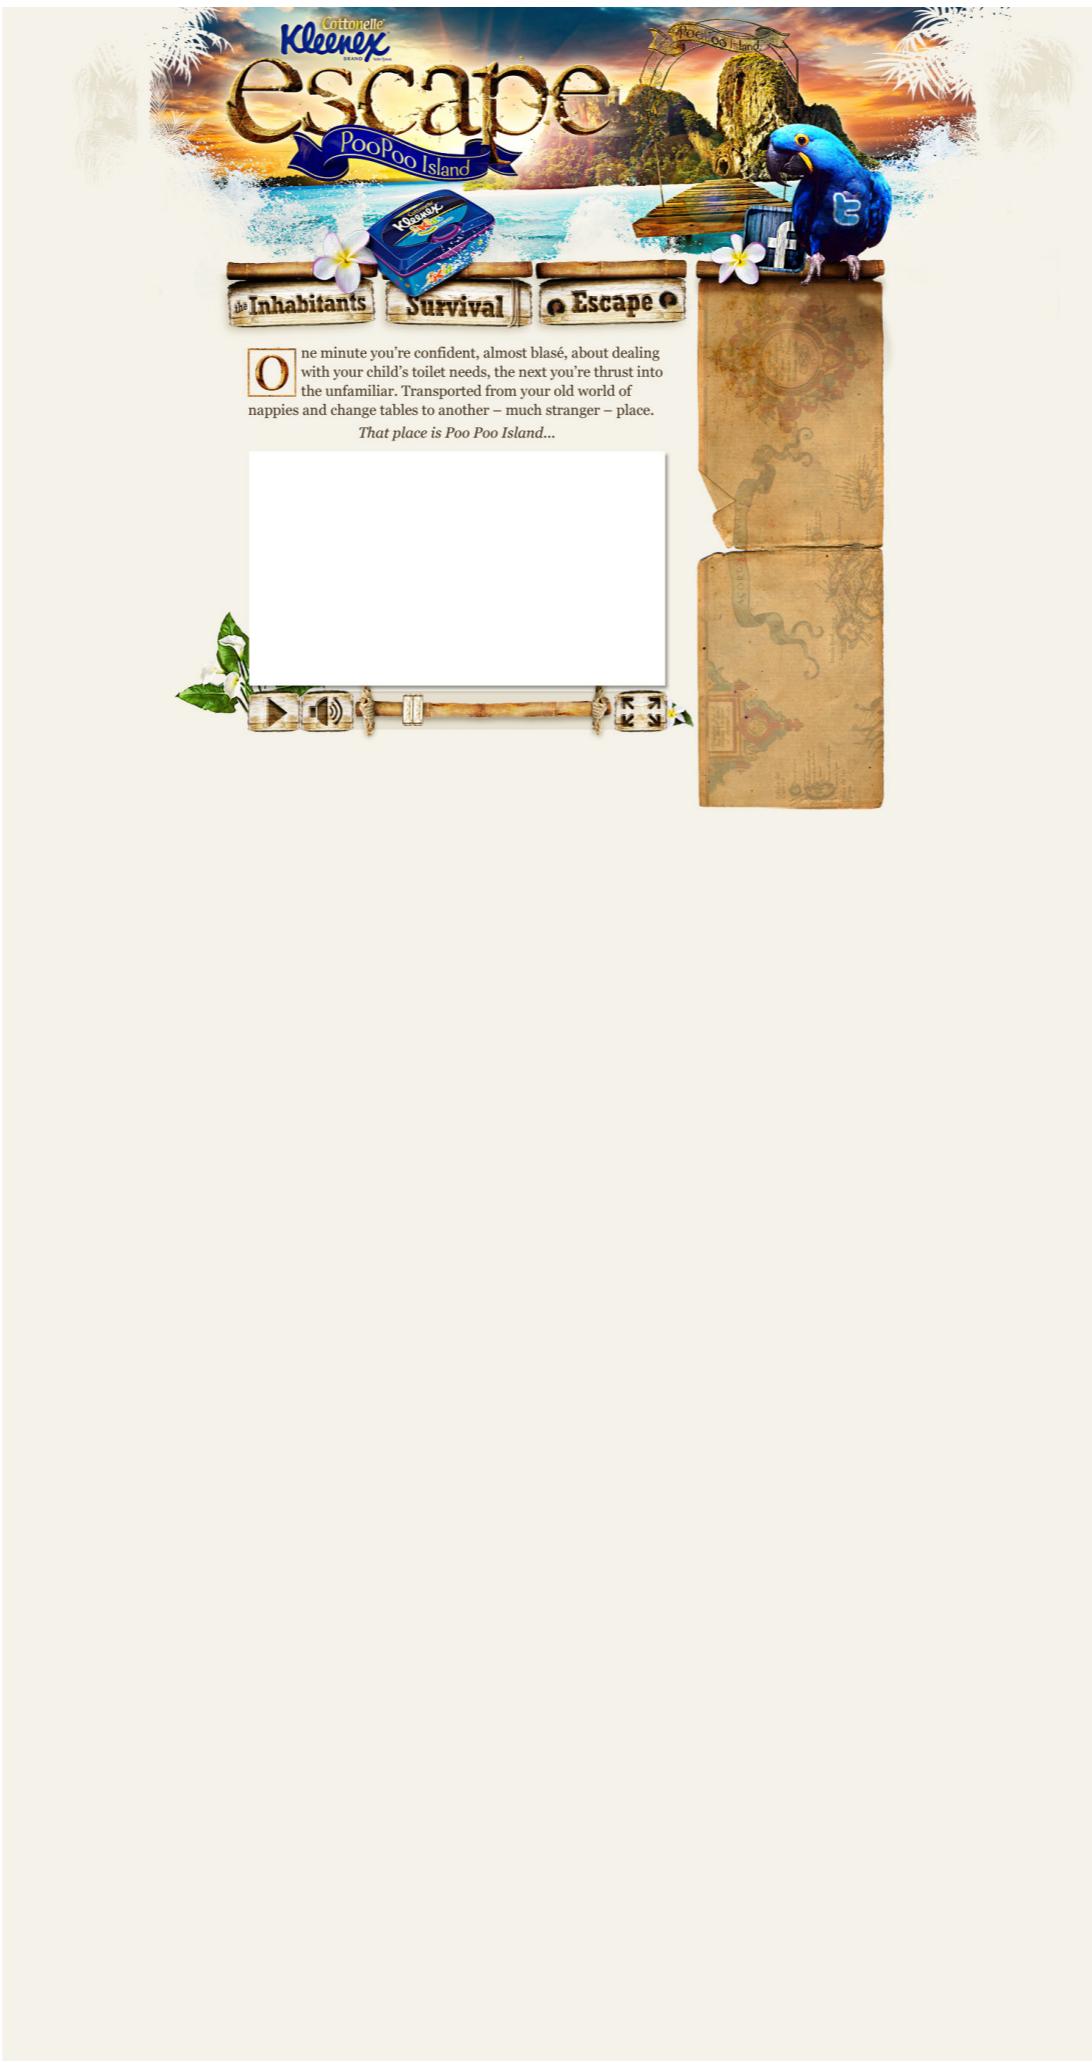

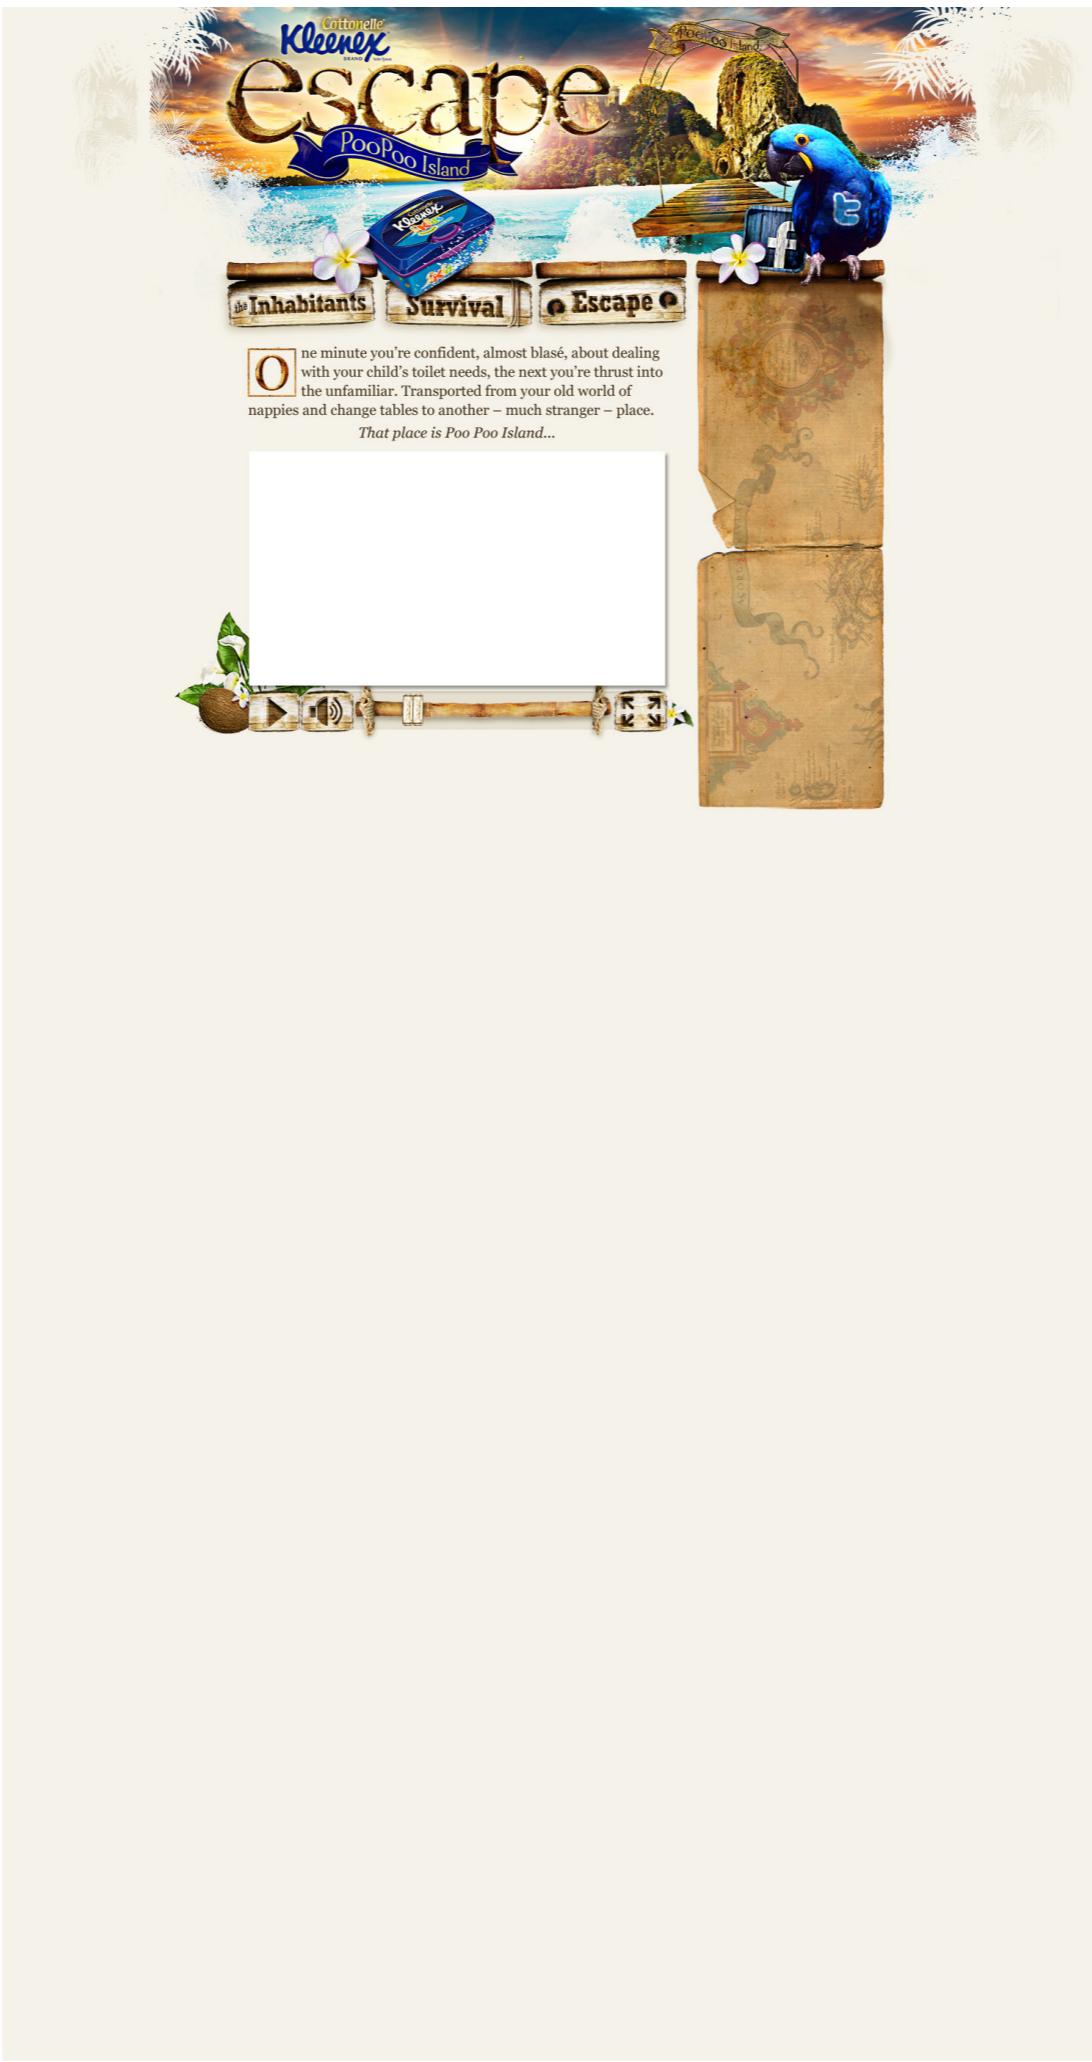

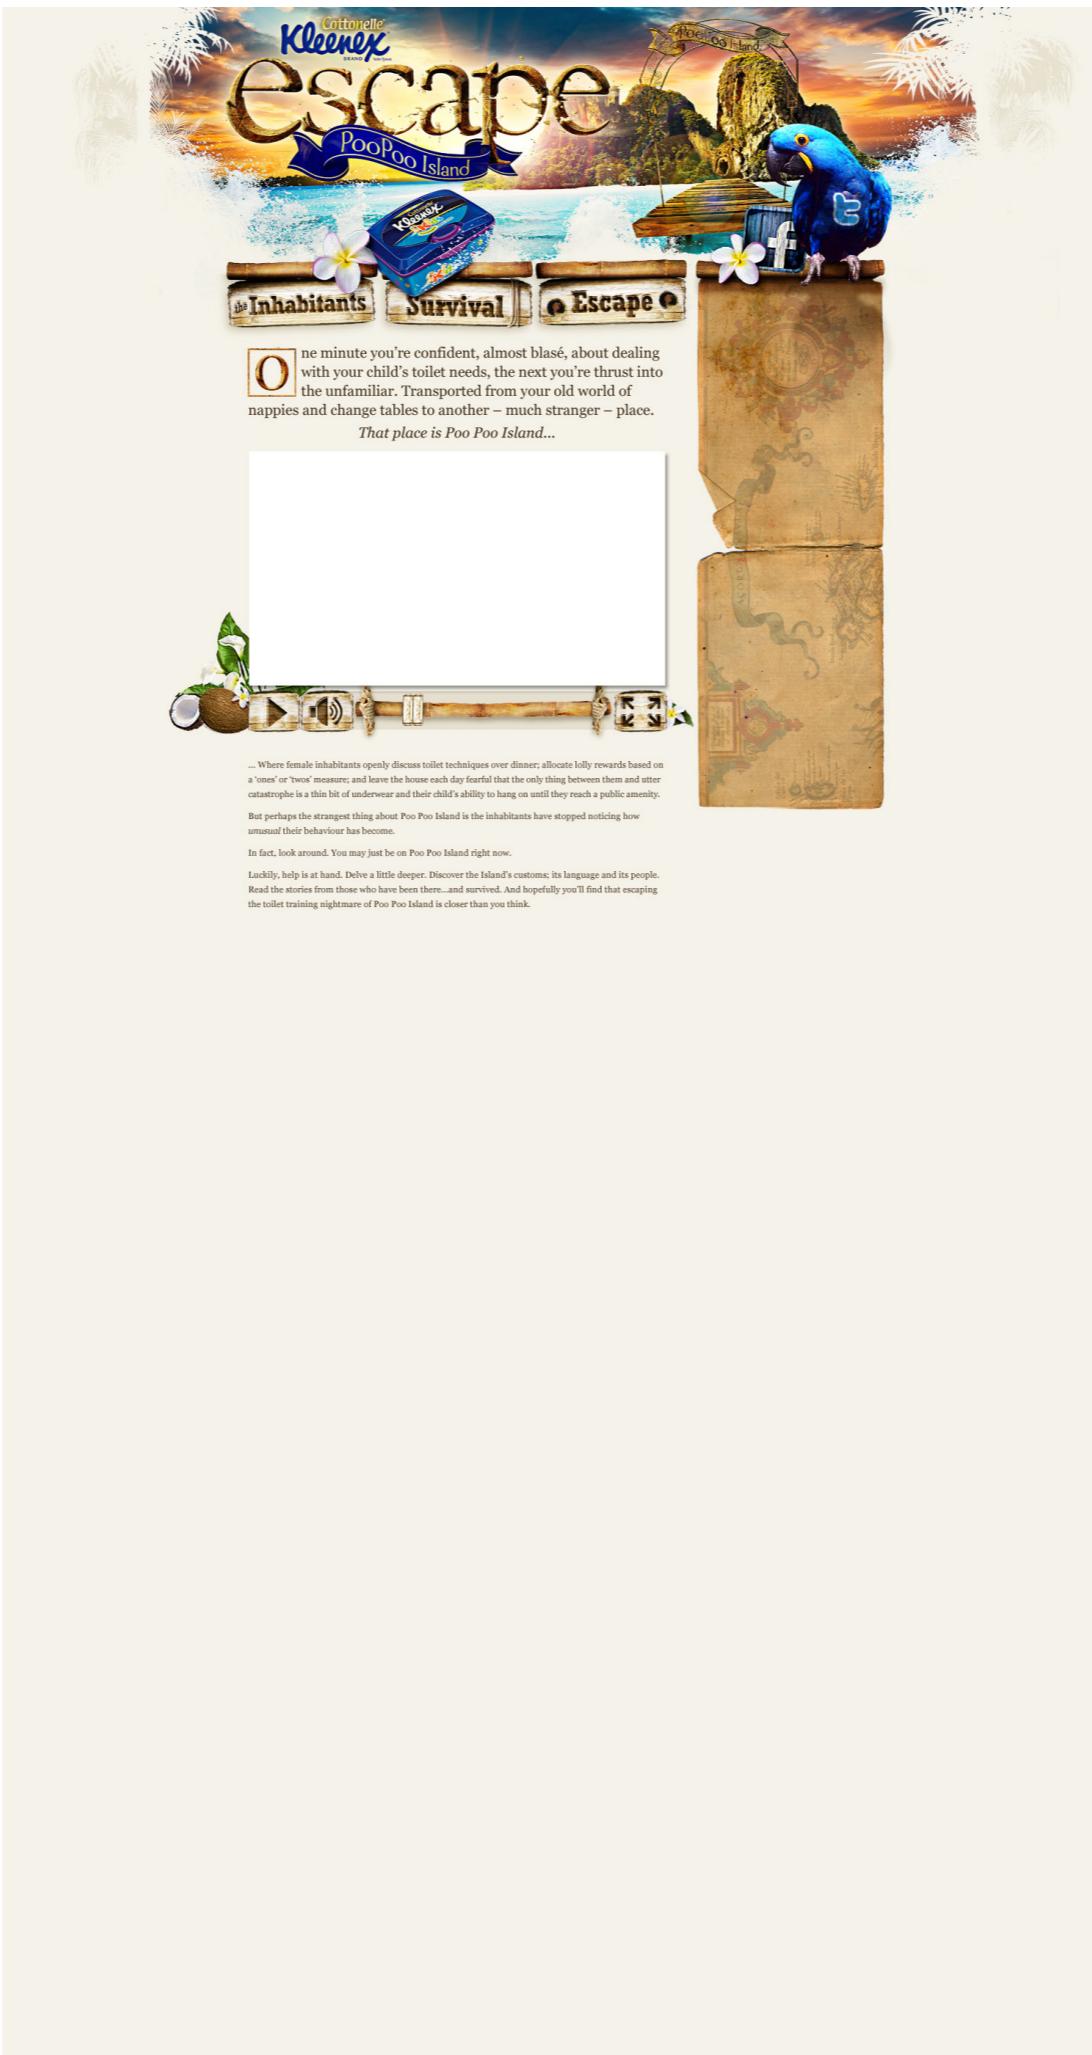

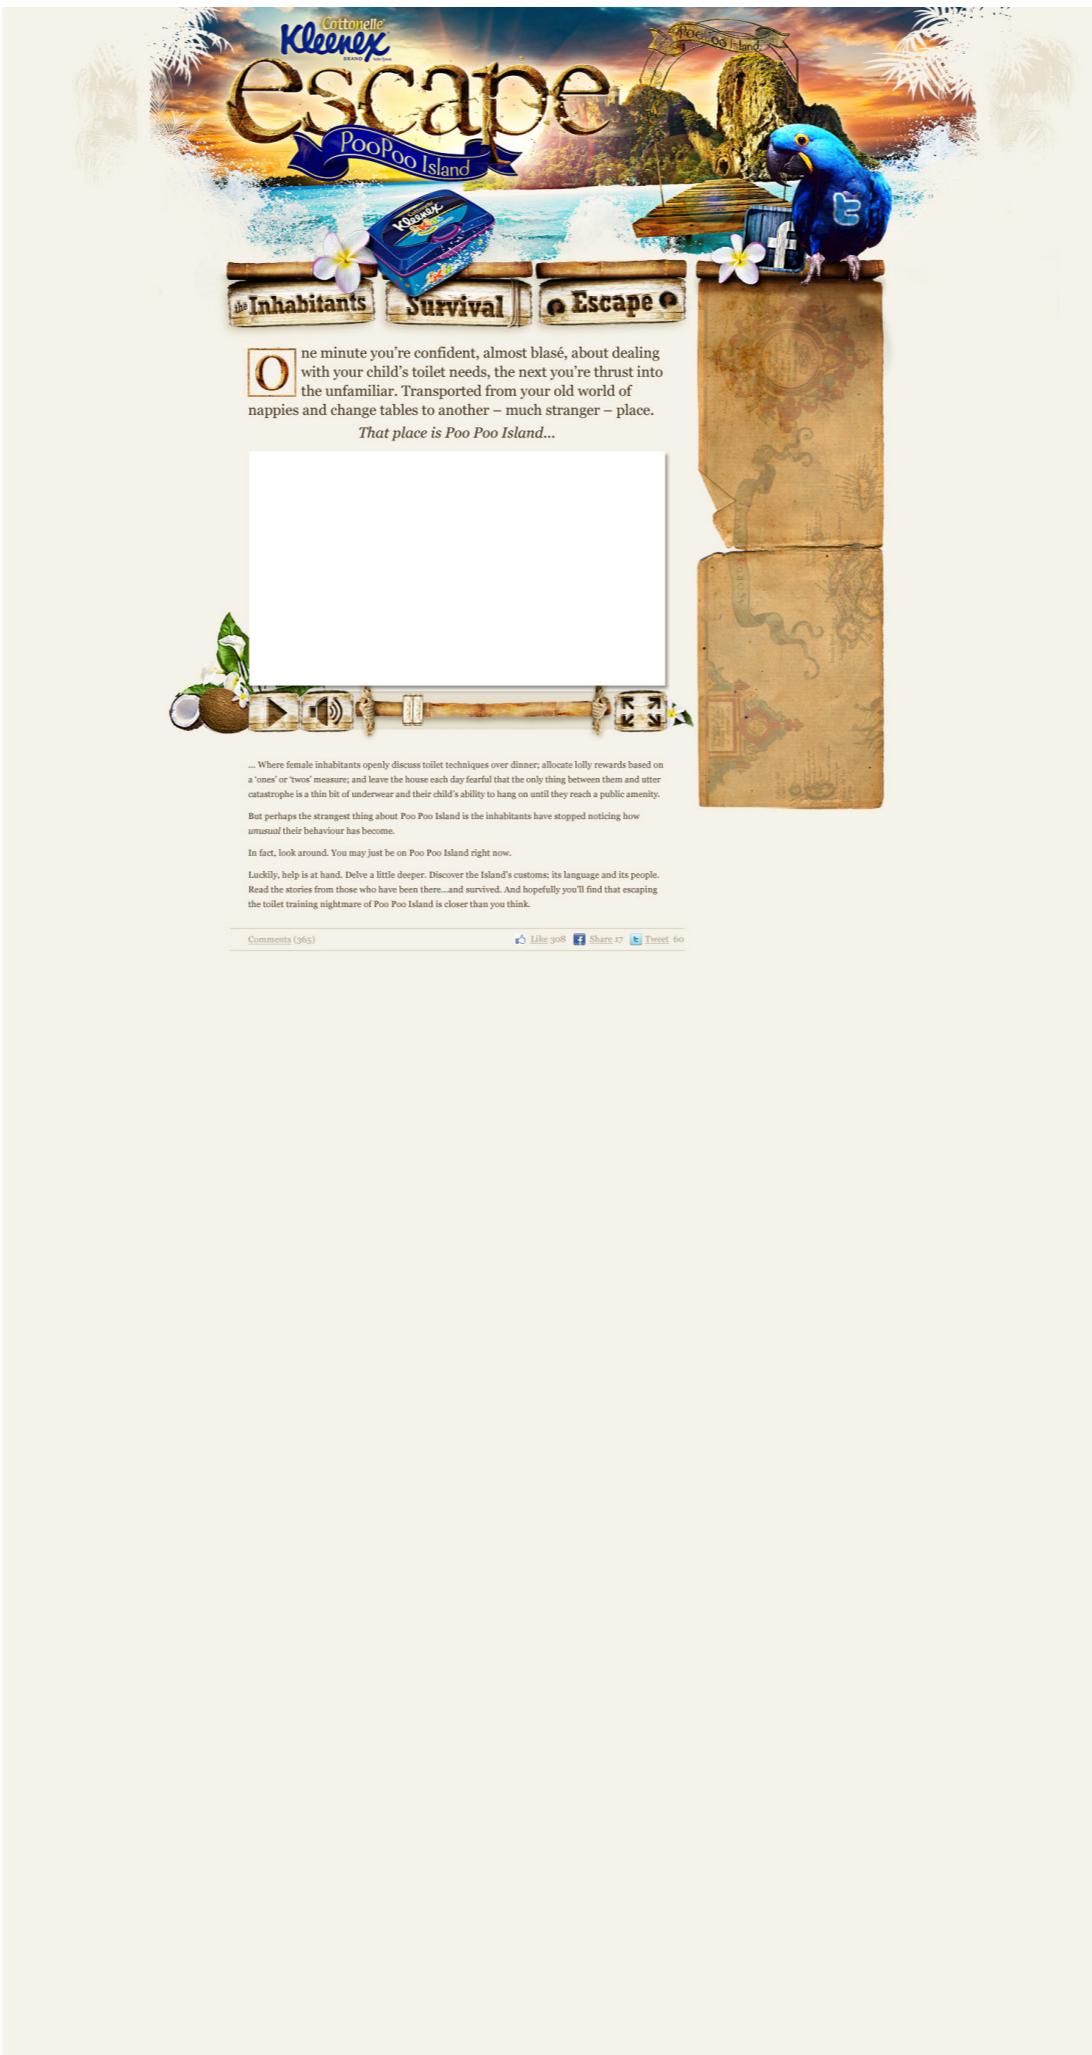

The image shows a mobile game interface for "Kleenex Escape PooPoo Island". At the top, there's a banner featuring the Kleenex logo and the word "escape" in large letters, with "PooPoo Island" written below it. The background of the banner is a tropical scene with palm trees and a sunset over water. Below the banner, there are three tabs: "Inhabitants", "Survival", and "Escape". A blue parrot is perched on the "Escape" tab. To the right of the tabs is a vertical scroll-like element with a map and some text. The main area of the screen is a white space where a video player would normally be. At the bottom, there's a decorative footer bar with icons for a coconut, a play button, volume, and other controls.

One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

That place is Poo Poo Island...

... Where female inhabitants openly discuss toilet techniques over dinner; allocate lolly rewards based on a 'ones' or 'twos' measure; and leave the house each day fearful that the only thing between them and utter catastrophe is a thin bit of underwear and their child's ability to hang on until they reach a public amenity.

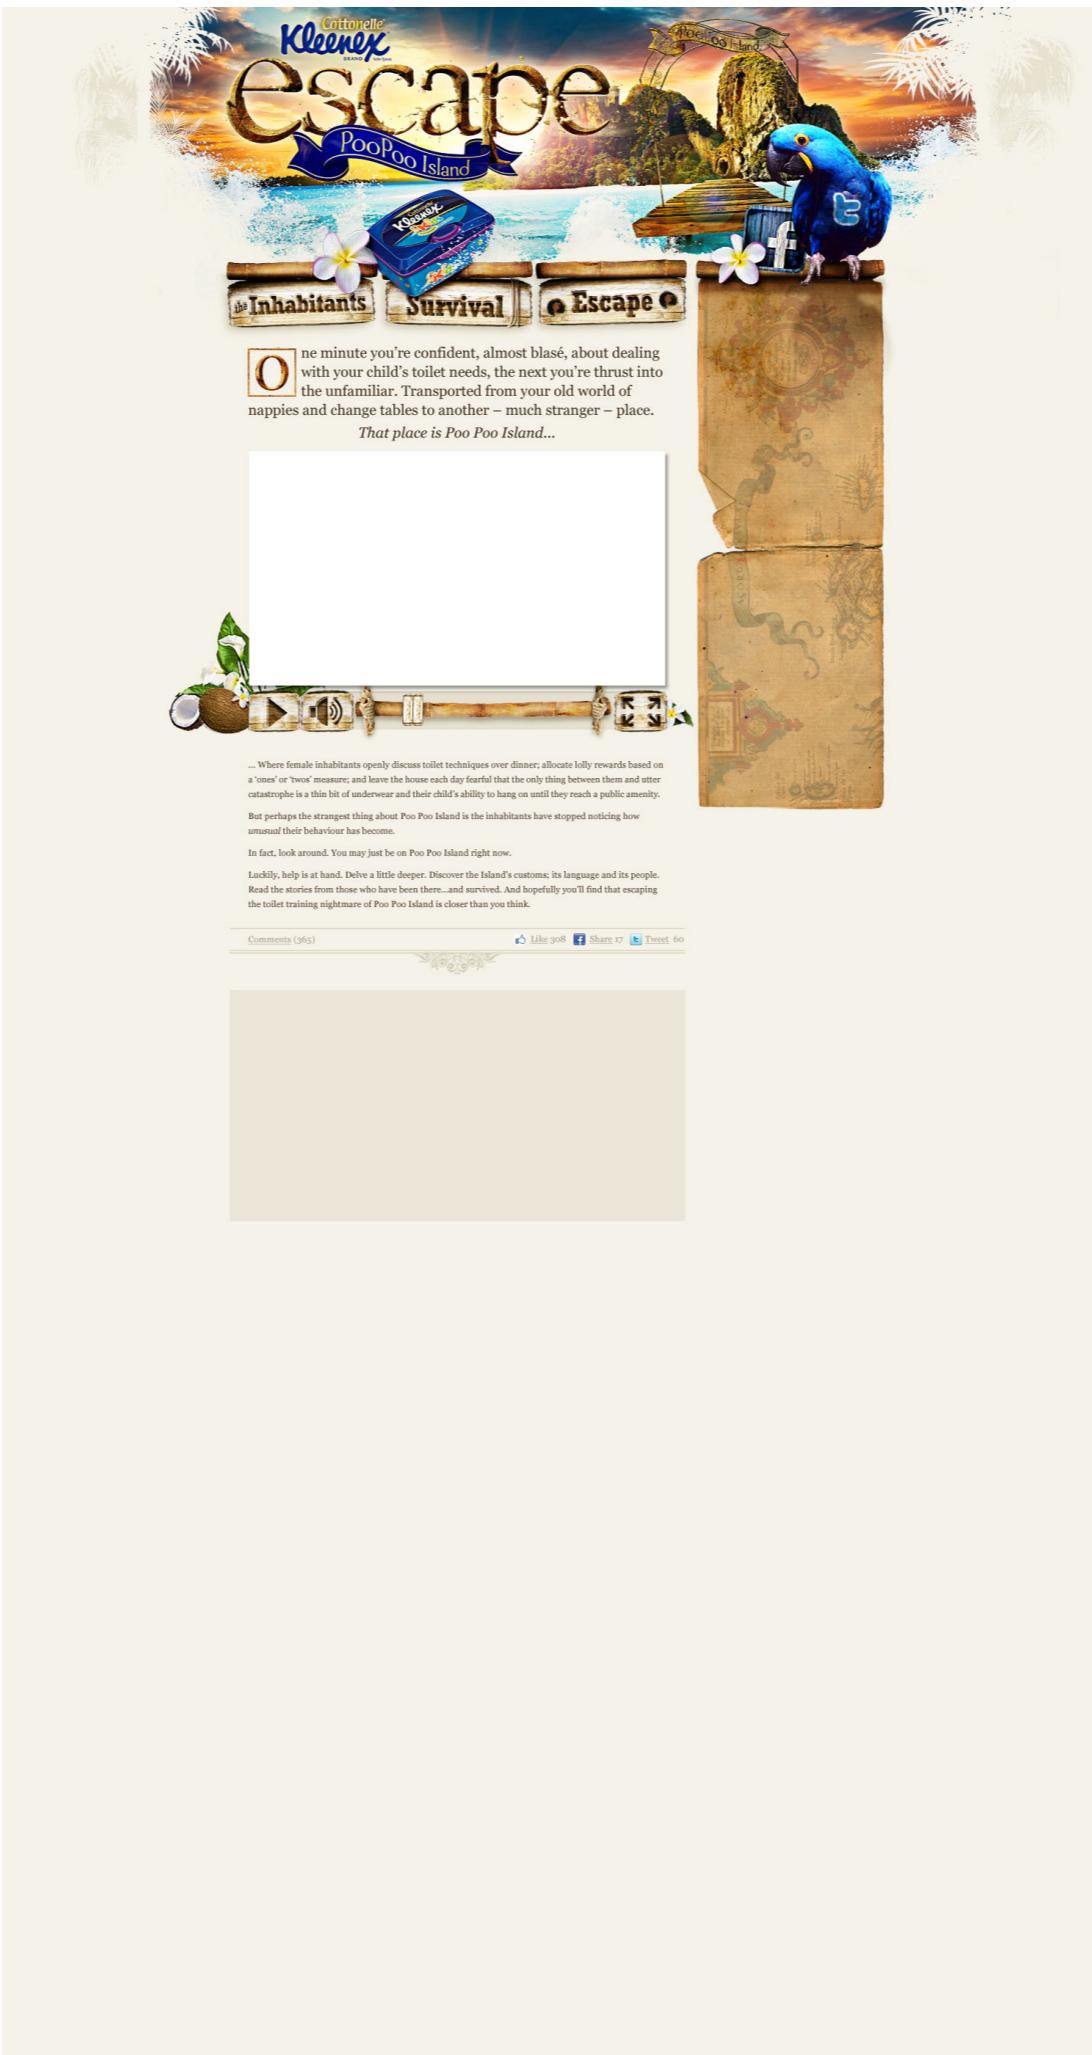

But perhaps the strangest thing about Poo Poo Island is the inhabitants have stopped noticing how unusual their behaviour has become.

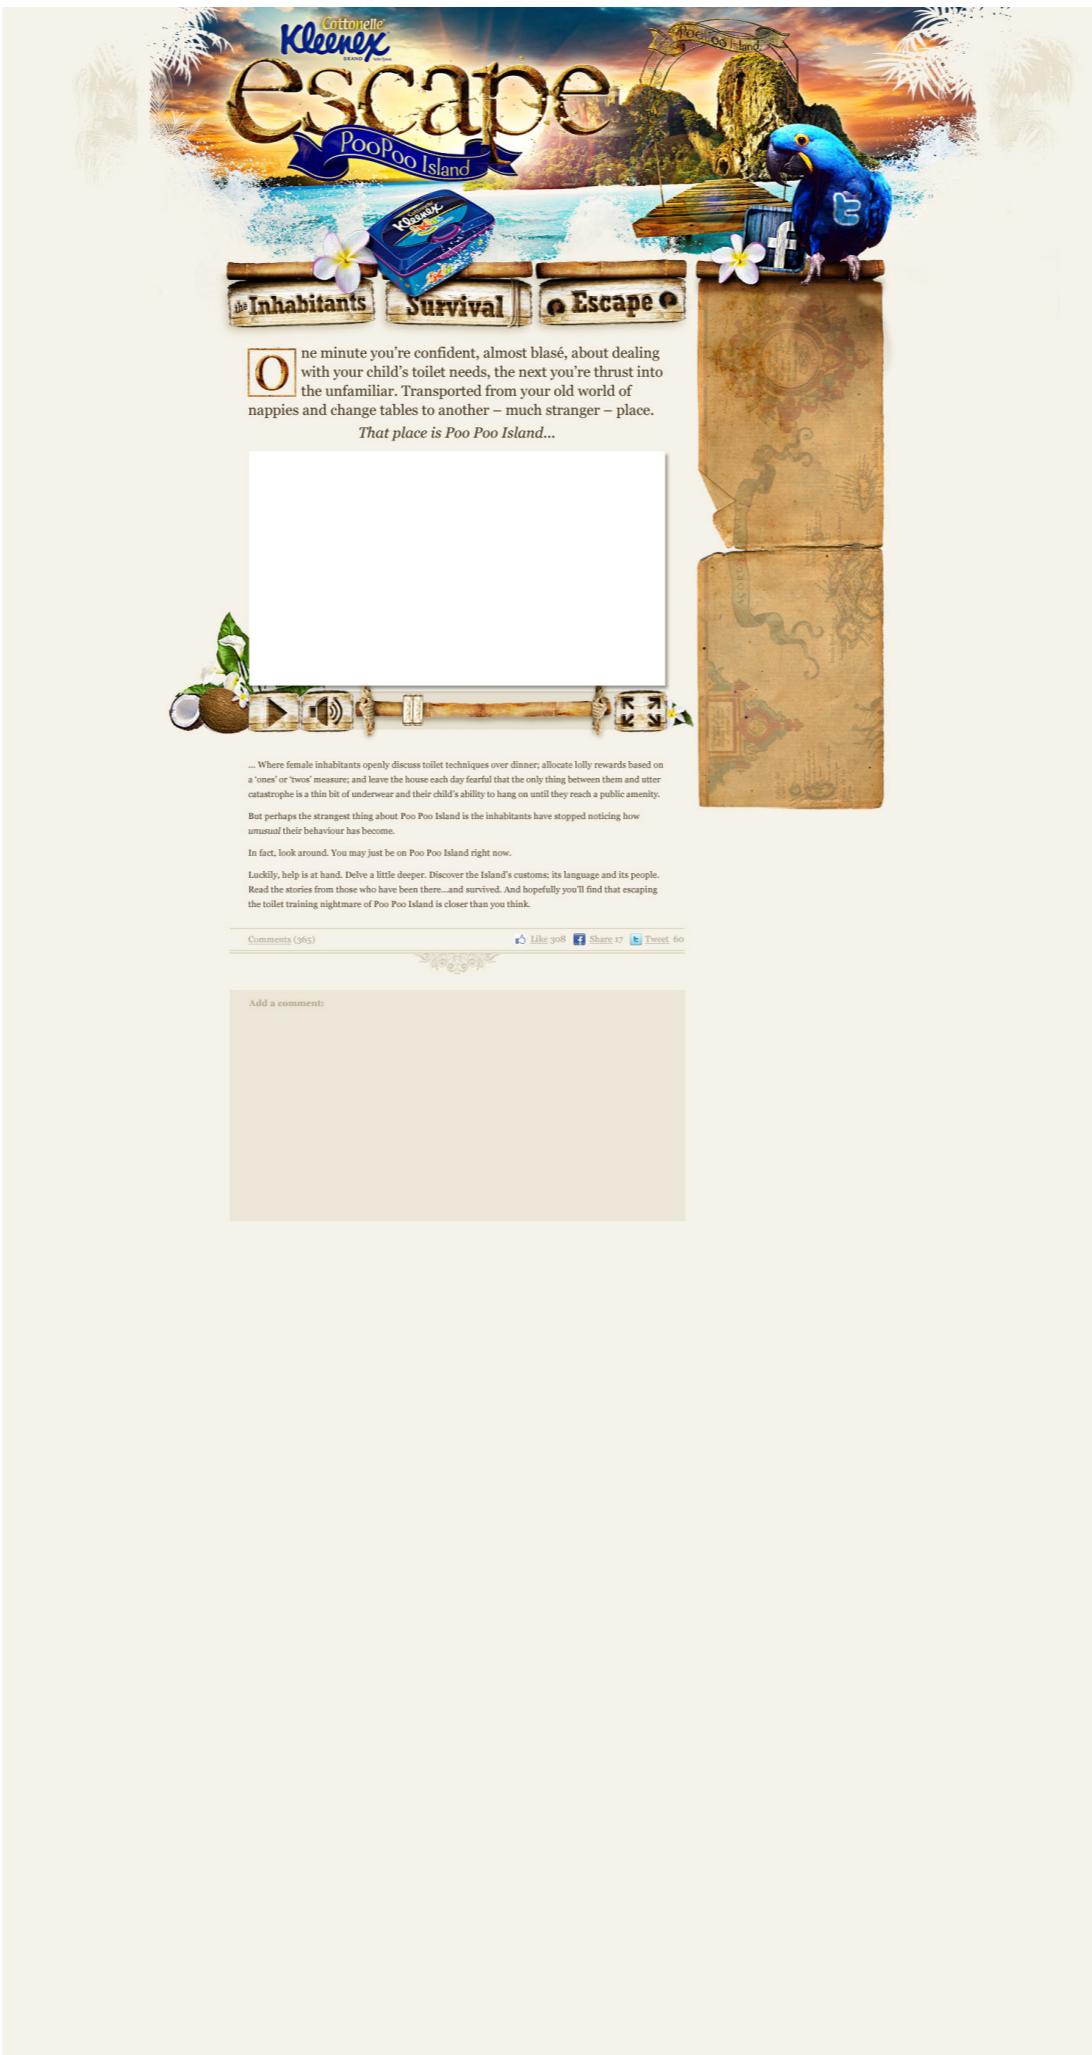

In fact, look around. You may just be on Poo Poo Island right now.

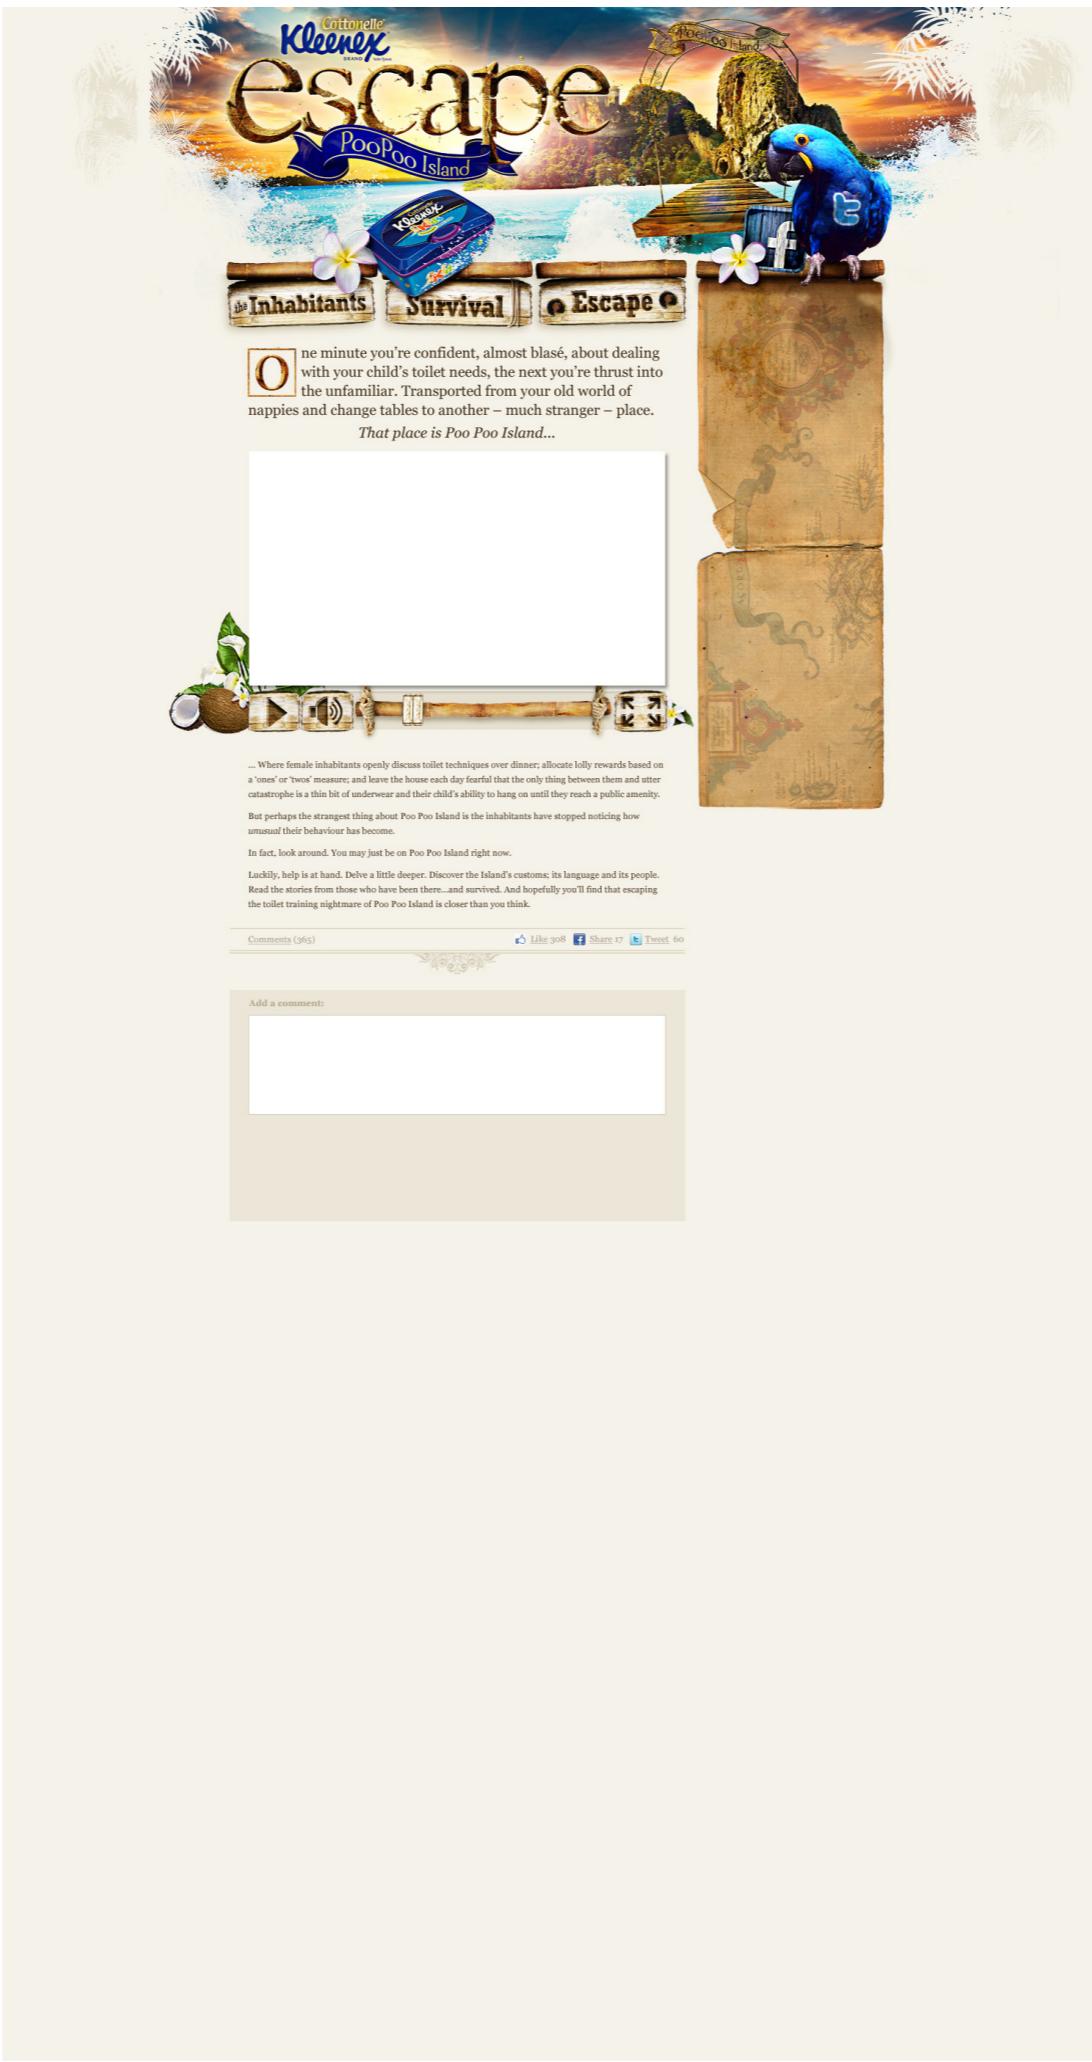

Luckily, help is at hand. Dive a little deeper. Discover the Island's customs; its language and its people. Read the stories from those who have been there...and survived. And hopefully you'll find that escaping the toilet training nightmare of Poo Poo Island is closer than you think.

PooPoo Island

Inhabitants **Survival** **Escape**

One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

That place is Poo Poo Island...

... Where female inhabitants openly discuss toilet techniques over dinner; allocate lolly rewards based on a 'ones' or 'twos' measure; and leave the house each day fearful that the only thing between them and utter catastrophe is a thin bit of underwear and their child's ability to hang on until they reach a public amenity.

But perhaps the strangest thing about Poo Poo Island is the inhabitants have stopped noticing how unusual their behaviour has become.

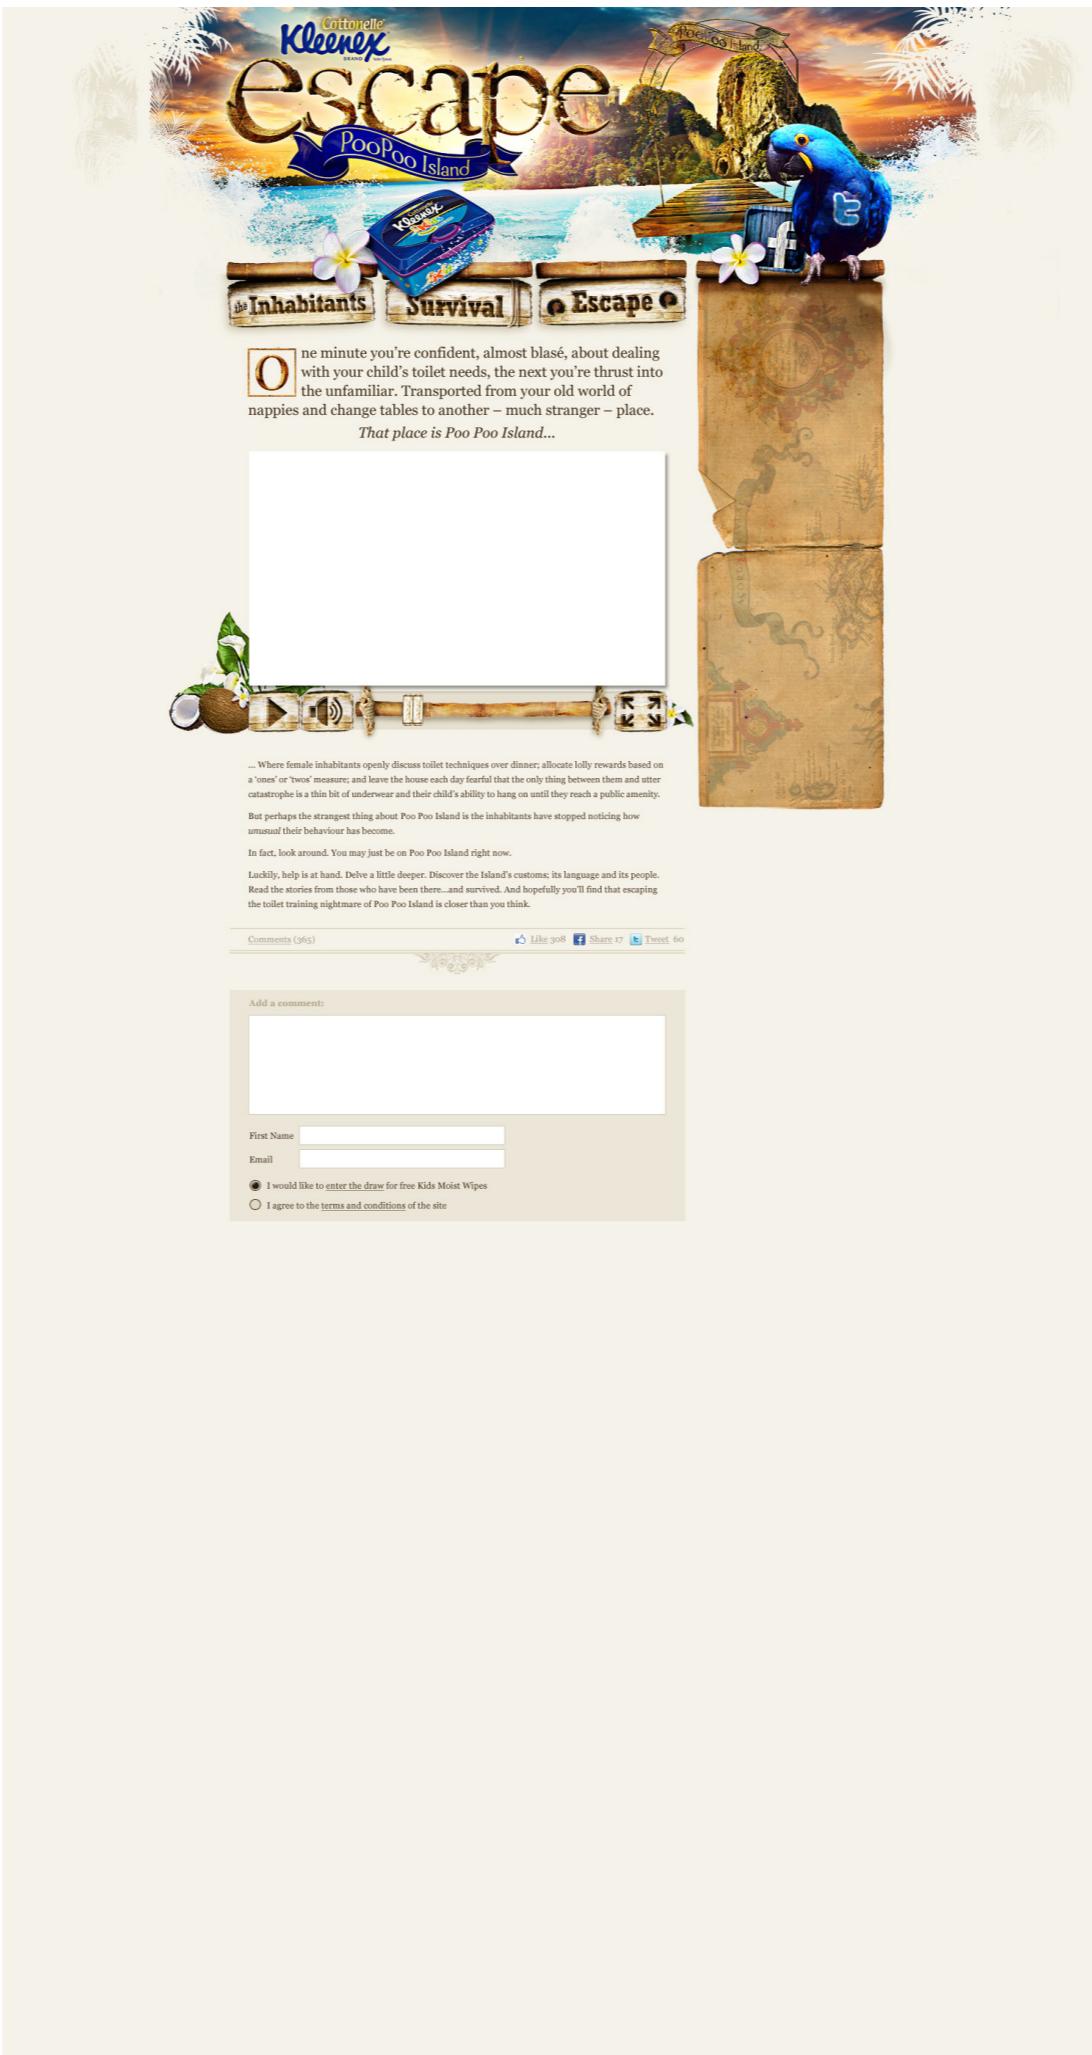

In fact, look around. You may just be on Poo Poo Island right now.

Luckily, help is at hand. Dive a little deeper. Discover the island's customs; its language and its people. Read the stories from those who have been there...and survived. And hopefully you'll find that escaping the toilet training nightmare of Poo Poo Island is closer than you think.

The landing page features a tropical island scene with palm trees, a sunset, and a boat. The Kleenex logo is at the top left, followed by the word "escape" in large letters and "Poo Poo Island" below it. A blue parrot sits on a wooden railing. Below the title are three tabs: "Inhabitants", "Survival", and "Escape".

Inhabitants:

Poo Poo Island

Inhabitants **Survival** **Escape**

One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

That place is Poo Poo Island...

... Where female inhabitants openly discuss toilet techniques over dinner; allocate lolly rewards based on a 'ones' or 'twos' measure; and leave the house each day fearful that the only thing between them and utter catastrophe is a thin bit of underwear and their child's ability to hang on until they reach a public amenity.

But perhaps the strangest thing about Poo Poo Island is the inhabitants have stopped noticing how unusual their behaviour has become.

In fact, look around. You may just be on Poo Poo Island right now.

Luckily, help is at hand. Dive a little deeper. Discover the island's customs; its language and its people. Read the stories from those who have been there...and survived. And hopefully you'll find that escaping the toilet training nightmare of Poo Poo Island is closer than you think.

escape Poo Poo Island

That place is Poo Poo Island...

Ne minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

... Where female inhabitants openly discuss toilet techniques over dinner; allocate lolly rewards based on a 'ones' or 'twos' measure; and leave the house each day fearful that the only thing between them and utter catastrophe is a thin bit of underwear and their child's ability to hang on until they reach a public amenity.

But perhaps the strangest thing about Poo Poo Island is the inhabitants have stopped noticing how unusual their behaviour has become.

In fact, look around. You may just be on Poo Poo Island right now.

Luckily, help is at hand. Dive a little deeper. Discover the Island's customs; its language and its people. Read the stories from those who have been there...and survived. And hopefully you'll find that escaping the toilet training nightmare of Poo Poo Island is closer than you think.

The image shows a Facebook page for Kleenex Mums. The cover photo features a tropical island scene with palm trees, a sunset, and a blue parrot perched on a wooden railing. The title "Kleenex escape Poo Poo Island" is displayed prominently. Below the cover, there are three tabs: "Inhabitants", "Survival", and "Escape". A main text block reads: "One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place. That place is Poo Poo Island..." Below this, there is a video player placeholder, a "FREE TRIAL" button, and a "JOIN Kleenex Mums" button. The post area shows several user posts with small profile pictures, names, and short descriptions. At the bottom, there is a call-to-action for users to share their stories, featuring a dog in a boat.

That place is Poo Poo Island...

One minute you're confident, almost blasé, about dealing with your child's toilet needs, the next you're thrust into the unfamiliar. Transported from your old world of nappies and change tables to another – much stranger – place.

... Where female inhabitants openly discuss toilet techniques over dinner; allocate lolly rewards based on a 'ones' or 'twos' measure; and leave the house each day fearful that the only thing between them and utter catastrophe is a thin bit of underwear and their child's ability to hang on until they reach a public amenity.

But perhaps the strangest thing about Poo Poo Island is the inhabitants have stopped noticing how unusual their behaviour has become.

In fact, look around. You may just be on Poo Poo Island right now.

Luckily, help is at hand. Dive a little deeper. Discover the Island's customs; its language and its people. Read the stories from those who have been there...and survived. And hopefully you'll find that escaping the toilet training nightmare of Poo Poo Island is closer than you think.

The image shows a screenshot of a Facebook page for Kleenex. The header features a tropical island scene with a parrot and the text "Kleenex Cottontide escape Poopoo Island". Below the header, there's a quote: "Inhabitants: Life can be strange for those on the Island, but ask yourself: have you been there too?" A small image of a Kleenex box is shown next to the quote. The main content area has three tabs: "Inhabitants", "Survival", and "Escape". The "Inhabitants" tab contains a paragraph about life on Poo Poo Island being a journey of self-discovery, mentioning new words, bizarre rituals, and unneeded precautions. It ends with the sentence "But rest assured, Poo Poo Island is just as challenging for all the Inhabitants...". Below this is a video player with a play button and a caption "Comments (965)". To the right of the video, there are social sharing links for Like (208), Share (17), and Tweet (60). Further down, there's a section for joining Kleenex Mums, a poll asking "What is the best lorem ipsum selat velor?", and a "Currently leading" poll for "Sitaect asperunt esciet (58%)". The page also features sections for "Latest Inhabitants" (with posts from SupaMum_23 and JennyMills), "Office embarrassment ;)" (with a post from Betty_from_Bendigo), and a decorative illustration of a dog wearing a lei. At the bottom, there are links for About Us, Contact Us, Kleenex Mums, Terms of use, Privacy Policy, and Copyright information.

The landing page for the Kleenex Escape Poopoo Island game features a tropical beach background with palm trees and a boat. The title 'Kleenex Escape Poopoo Island' is prominently displayed at the top. Below the title, there's a section titled 'Survival' with a sub-section 'Inhabitants'. A blue parrot is perched on a branch. To the right, there's a sidebar with social media links (Facebook, Twitter) and a poll asking 'What is the best lorem ipsum selat velor?'. The poll has six options, with the second one being selected. At the bottom, there's a 'Latest survival comments' section showing three posts from users: 'My husband the ultimate Poo Dodger!!!', 'I've discovered the ultimate cleaning product!!!', and 'Office embarrassment ;)'. Each comment includes a small profile picture, a short description, and a 'Read more or Tell us your story' link.

The image shows a screenshot of the Kleenex Escape Poopoo Island website. The header features the Kleenex logo and the word "escape" in large letters, with "Poopoo Island" written below it. A blue parrot is perched on the right side of the header. Below the header, there are three tabs: "Inhabitants", "Survival", and "Escape". A text box contains the following paragraph:

We all know that escape from Poo Poo Island is possible, but when communication with the outside world is difficult and morale is low, inhabitants can sometimes feel like they've been marooned. While there's no secret formula for success, the first-hand accounts of escapes can be a source of great wisdom and potty training inspiration...

Below this text is a large white input field for comments, with the placeholder "Add a comment:". Underneath the input field are several form fields: "First Name" and "Email", a checkbox for "I would like to enter the draw for free Kids Moist Wipes", a checkbox for "I agree to the terms and conditions of the site", and a "Sign in now" button. To the right of these fields is a "Join Kleenex Mums" button. At the bottom of the comment section is a "Latest escape comments" heading, followed by three user posts:

- My husband the ultimate Poo Dodger!!!** (Posted today 2:23pm, SupaMum_23) - Includes a small photo of a man and a short text block.
- I've discovered the ultimate cleaning product!!!** (Posted today 2:20pm, JennyMills) - Includes a small photo of a woman and a short text block.
- Office embarrassment ;)** (Posted today 2:15pm, Betty_from_Bendigo) - Includes a small photo of a person and a short text block.

On the right side of the page, there are several sidebar elements:

- A "Comments (965)" link with social sharing icons for Like (308), Share (17), and Tweet (60).
- A "HURRY LIMITED FREE TRIAL" button for a "FREE SAMPLE" with a "TELL YOUR STORY!" link.
- A "JOIN Kleenex Mums" button.
- A "BRIEFS US TOO!" button.
- A poll titled "What is the best lorem ipsum selat velor?" with six options, the second of which is selected.
- A "Currently leading" section showing "Sitaect asperunt escit (58%)".

At the bottom of the page, there is a decorative illustration of a dog standing in a bucket of water, surrounded by flowers. Logos for "Kleenex Mums", "Kleenex Kids", and "Kleenex Cottonelle" are at the bottom right, with the tagline "care in every square". Small fine print links are at the very bottom.
